You'll begin seeing results from your very first session. Give it a try; you'll be surprised how quickly the process works for you. *The Secret of Instant Healing* Frank J. Kinslow, Dr., 2011-06-15

Over the last few years innovative self-help methods have convinced many people of a new worldview. Quantum Entrainment (QE) is the newest development in this area. QE works with gentle touch that quietly activates the autonomic nervous system to spontaneously and naturally create an atmosphere in which deep healing can take place. This amazing self-help method is easy to use and needs no previous knowledge; everyone can apply it. As Dr. Kinslow explains, Quantum Entrainment is a very rapid healing process that anyone can do. Whether you have a broken leg or a broken heart, you need rest to heal. If you want physical, emotional, or spiritual healing, you need deep rest. The deeper the rest, the deeper the healing. Pure awareness is the deepest rest you can get. I discovered a process that instantly gives the body, mind, and spirit deep rest and fast healing. It works in seconds. That is what I call Quantum Entrainment. And what is most astonishing, not only does the treated individual receive deep restful healing, but the person who is performing QE will also experience an immediate, prolonged sense of wellbeing. Give it a try; you will be surprised by how powerful Quantum Entrainment is. Quantum Entrainment works in minutes, is easily taught, requires no special training. *Purposehood* Ammar Charani, 2020-05-06

You were born a genius, but that seed was obstructed and malnourished while you struggled to grow in the jungle of life. Transcending these limitations to reclaim your destiny, happiness, success, and fulfillment is what this groundbreaking book is all about. Everything in existence has a forward-pulling existential purpose that serves itself, and indeed the entire universe. A Purposehood. The Purposehood of everything is to evolve and expand exponentially in a powerful symbiotic relationship. Moving against this force creates stress and tension; moving with it creates harmony and ease. Based on Ammar's deep personal exploration of science, philosophy, religion, mysticism, and existence itself, *Purposehood: Transform Your Life, Transform the World* invites you to reflect on your own life's purpose and how you can embrace it to create positive change and success.

About the Author: Ammar sought fulfillment at a young age through his devotion to exploring religions. He attended Christian schools in Syria and spent ten years with Sufi masters and religious scholars studying, teaching, and subsequently serving as a cleric. Later in life, his focus turned to entrepreneurship, where he pursued success by starting and seed investing in over thirty businesses, four of which are led by members of YPO, a global leadership community of chief executives. Ammar's startup spirit extended to volunteering in YPO, where he is a founding member of eleven chapters spanning four continents, positively impacting their communities. He also founded the YPO Change Makers Club, where members and spouses share their expertise with the wider community. Ammar initially graduated with an engineering degree from the University of Central Florida and later from Harvard Business School's The President's Program in Leadership. After a near-death experience followed by an eleven-year deep dive into the meaning of life, today Ammar is focused exclusively on working with volunteers to spark a Purposehood movement dedicated

to helping people transform their lives and the world by discovering and living their existential purpose *Beyond Burnout* Amy O'Hana, 2020-10-06 Rekindle Your Passion Reignite Your Purpose Does your job leave you physically and emotionally drained Is the stress you feel over work affecting your sleep your attitude and your relationships Have you lost meaning in your career You are not alone and there is hope Mental health expert Amy O'Hana knows what vocational burnout is She has addressed it in the counseling office taught about it in college classrooms and written an entire doctoral dissertation about it She also experienced it herself Amy learned that the secret to healing from career exhaustion lies in being not doing When you allow your heart body and mind to reconnect with God you will experience renewed energy productivity and fulfillment There is nothing you need to do but receive His love and let it restore your passion and purpose Amy explains why vocational stress occurs and how it differs from depression how to identify the signs that you might be suffering from burnout and what God wants to do to refresh and restore you You or a loved one can begin the journey beyond burnout today

Jean Gerson Johann von Staupitz and Martin Luther who all contend that consolation is central to our transformation into the life of God
