**Beyond Pentecost** Clayt Sonmore,2014-08-15 Will we seek God s perfect will and enter into His ultimate intention for mankind Or will we continue down the road of apostasy and deception Who among us is willing to pay the price to go Beyond Pentecost This is an important book as we approach the end of the world We have much Bible prophecy concerning the end times and the Holy Spirit s final desire for the church is that we go Beyond Pentecost and unite as a body the body of Christ We trust that the thoughts in this writing will be precious stepping stones in helping to bring many sons to glory as we covenant together to be followers of the living way and respond to God s call of the hour to come up higher The writing of a substantial part of this presentation was done on March 5 1964 and the words came under strange circumstances I was in Texas in some meetings when a strange malady came over me and for twenty four hours I became desperately ill except when I would write As I began to listen to the voice of the Holy Spirit the words of this writing rolled off the end of my pen under His direction Even as the desperate illness would leave when I picked up the pen to write so did the illness immediately and entirely leave when I finished the last paragraph Beyond Pentacost , Beyond Pentecostalism

Wolfgang Vondey,2010-09-23 The Pentecostal Manifestos series aims to speak for and to a rising outward looking generation of Pentecostal scholarship Written by both established and newly emerging scholars the various manifesto volumes are to be creative statements marked by rigorous theological scholarship reflecting a distinctly Pentecostal engagement with wider themes and concerns in Christian thought today **Meditations 68.03** Northwestern Publishing House NPH,2025-05-26

**Reformation Legacy** Mark J. Cartledge,Mark A. Jumper,2020-09-16 This collection of essays explores the legacy of the Reformation with regard to the person and work of the Holy Spirit Following the five hundredth anniversary of Luther s posting of his ninety five theses these essays consider this legacy with particular reference to the work of Martin Luther and John Calvin as well as broader Reformation themes as they are related to pneumatology and the life of the church today The contribution of this collection is to tease out and reflect on pneumatology historically but also to relate these findings to

contemporary discussions especially among scholars of pentecostal and charismatic Christianity Together these essays invite readers to appreciate the contribution that the Protestant Reformation makes to life in the Holy Spirit today as well as offering critical and constructive reflection on this theme It is a timely and significant contribution to the discussions of the person and work of the Holy Spirit and the church Beyond Foundationalism Stanley James Grenz, John R. Franke, 2001-01-01 Grenz and Franke provide a methodological approach for doing theology in the postmodern world They call for a theological method that moves beyond the Enlightenment way of ordering and understanding information foundationalism They propose a theological method that takes seriously the Spirit tradition and contemporary culture while stressing trinitarian structure community and eschatology *Beyond Armageddon* E. Daisy Rodriguez, 2011-12-09 Is there hope for this planet and for the human race after Armageddon Will there be anything left on the Earth after the destruction brought about by the great and terrible Day of the Lord By drawing on religious insight and using scriptures from the Old and New Testaments author E Daisy Rodriguez delivers a concise explanation to these questions and more in *Beyond Armageddon* Rodriguez explains how the end time story continues with the establishment of Jesus Christs Millennial Kingdom the end of planet Earth Gods White Throne Judgment the Lake of Fire and finally a preview of the New Jerusalem Building on years of intensive study of the Scriptures Rodriguez delves into crucial issues and offers a thorough solid understanding of this important subject From discussing the fate of those who survive Gods wrath and the end of the kingdom of darkness to the battle of the ages and everlasting life this guide shows how the human race will arrive at its final destination *Vessel of Honor: The Virgin Birth and the Ecclesiology of Vatican II* Brian A. Graebe, 2021-08-18 The traditional claim that Mary remained a virgin during the very act of giving birth to Jesus is one of the least known and least understood aspects of Marian doctrine today Has the contemporary Church retreated from this claim In *Vessel of Honor* Fr Brian Graebe provides a solid introduction to the historical development of the doctrine and its reception in modern Catholic theology He shows that far from being responsible for its contemporary occlusion the Second Vatican Council did much to reaffirm the traditional understanding of Mary s perpetual virginity against its radical reinterpretation in the mid twentieth century Fr Graebe demonstrates that the Council s underappreciated work on Mary s perpetual virginity must be seen as part of the legacy of Vatican II Perhaps the most significant and timely contribution of this book is its illumination of the Council s revival of the patristic association of Mary with the Church At a time when many claim Vatican II weakened the Church s commitment to Sacred Tradition *Vessel of Honor* amplifies the Council s clarion call to the Church to receive and preserve God s revelation with virginal fidelity Mary s physical intactness is an icon of the deposit of faith *Vessel of Honor* is an important book both for modern Mariology and for the proper reception of the Second Vatican Council **AI, Faith, and the Future** Michael J. A profound discussion of Christ's kenosis as a model for humanity rounds out this comprehensive and valuable study. *The Lamb of God* is one of the greatest works of Christology in the twentieth century and a crowning achievement in the examination of the theology of divine humanity. — *A Service Beyond All Recompense* Kurt Martens, 2018

When Monsignor Thomas J. Green, professor at the School of Canon Law at The Catholic University of America, approached his seventy-fifth birthday and the fiftieth anniversary of his priestly ordination, his colleagues planned on offering him a fitting tribute in the form of a festschrift. Six people with different backgrounds but all related to Msgr. Green on one way or another have written a laudatio, a short congratulatory letter in honor of Monsignor Green. No less than fifteen contributions on various topics by colleagues, canon law scholars, clearly relate and reflect upon the honoree's scholarly contributions to canon law. The topics are extremely varied and illustrate how Monsignor Green has been or is active in nearly every area of canon law. Virtually every book of the Code of Canon Law is covered, if not directly at least indirectly. While the book is a tribute to an eminent professor, the various scholarly contributions are unique pieces of scholarship. The authors of the laudatio are John Garvey, President, The Catholic University of America; Andrew Abela, Provost, The Catholic University of America; Rev. Msgr. J. Brian Bransfield, General Secretary of the United States Conference of Catholic Bishops; Rev. Msgr. Ronny E. Jenkins, Dean, School of Canon Law, The Catholic University of America; Rev. Msgr. J. James Cuneo, Diocese of Bridgeport; and Sister Sharon Ewart, RSM, Executive Director, Resource Center for Religious Institutes, Silver Spring, MD.
