## **Beyond The Ego Where Love Joy And Peace Of Mind Await You:**

**Beyond the Ego** David Mutchler, 2012-01-25 We live in a marketplace filled with valuable ideas for how to be happy yet people continue to suffer We are just now awakening to the principal source of our unhappiness and suffering which is ego Ego wreaks havoc in our daily lives from the pain that individuals couples and families experience all the way up to global tensions and international conflict Most people think of ego as an inflated sense of self importance but this is only a fraction of what it really is Ego is the misidentification of who we are as beings It drives us to think and behave in ways that are inconsistent and incongruent with whom we really are leading always to dissatisfaction and suffering The secret to finding happiness is to loosen ourselves from egos painful grip by going beyond ego and entering the world of Spirit the source of true joy and peace To do so we must first travel through the ego Without proper guidance this trip can be perilous because ego to ensure its own survival makes every attempt to derail us along the way Beyond the Ego is an easy to follow step by step guide to help you make this journey safely The seeds of happiness joy and peace of mind will take root at the outset of your journey and continue to grow every step of your way **Lessons for Living Beyond the Ego** David

Mutchler, 2012-01-25 Everyone desires happiness and countless ways have been proposed to help you achieve it What's commonly overlooked is that happiness is our natural state and therefore must be allowed rather than achieved The way to allow happiness in your life is to awaken to the truth that everyone has an ego that ego blocks our happiness just as clouds block the sun from shining through The secret to finding happiness is not something you do you need only become aware of the presence of ego in your life This requires learning what ego is where it comes from where it hides how it presents itself and how to recognize it when you find it Your awareness of ego causes it to gradually dissipate The more conscious you become of it the more the light of happiness shines within you This light is the light of Spirit Awakening to the presence of ego inside you is the sure path to grow beyond your ego and to live a spiritual life the gifts of which are happiness joy and peace of mind Growing beyond ones ego to achieve happiness is a journey not a one time event **Lessons for Living Beyond the Ego** is a collection of fifty two lessons to help you stay on the path of your journey into happiness It can be read either as a follow up to *Beyond the Ego* a previous book by David Mutchler or as an introduction to it *The Truths of Love* Raymond

Wells, ALL the Spiritual Truths and Understanding you will need **Theism Vs. Atheism** David G. Mutchler, 2021-11-08 The greater part of awareness is a mind open to new ideas We live in a world at high risk of widespread catastrophe The existential threats that engulf us are huge and solutions are slow in coming in large part because of the ideological disagreements that stand in the way of full scale international cooperation High on the list of those divides is the theism atheism schism which continues to heat up due to the fact that theism especially Christianity is in significant decline while atheism is expanding rapidly Trends strongly suggest that the number of atheists in the world will steadily approach the number of Christians And due to their completely opposite views on the all important subject of God the disdain between

them will likely become increasingly combustible as each side fights for dominance The battle between them could seriously dampen any promise of full blown international teamwork to prevent unimaginable global disaster Theism Vs Atheism Where the Twain Shall Meet is about healing the theism atheism divide while there is still time Doing so will bring renewed hope that peace on earth is still a real possibility     **Joy Awaits** Dorothy Leeda Jones,2012-07-10 Many today search for paths to greater peace and fulfillment in their lives Joy Awaits offers readers a myriad of spiritual understandings and approaches to living a life of greater serenity love and happiness This book shares metaphysical perspectives on who we truly are what our lives are meant to be and the joy that awaits us all as we awaken to these greater realities from the perspective of our Souls beckoning us on In addition to these alternative ways of viewing our existence author Dorothy Leeda Jones PhD shares many simple methods to take us into a more joyful experience of daily life These teachings have come together for Dr Jones as a result of her interest in pursuing the life of the Soul beginning with a transcendental experience at a period of deep despair and the grace she experienced at that time She shares the shift in consciousness so needed today to heal our ailing world with true love sharing and brotherhood In this book we are gently and practically guided into our own Soul reality and the joy that we may rest in there We are all invited to join her in this adventurous journey into viewing all things certainly ourselves from this wondrous and exulted viewpoint of spiritual reality Dr Jones asks us to accompany her on this our very own form of walkabout     To God Or AS GOD Darel A. Rutherford,2006-10     Fourteen Inches to Peace David Mutchler,Elizabeth Beau,2012-08-24 Time and again we hear reports from readers and students of our programs that This is It This is what Ive been looking for all these years This is what Ive long sought but until now have not been able to find It is the subject of this book Here are a few examples of the responses we get when we ask What is It a thread that weaves through the truths of other spiritual traditions and ties them all together a nonintellectual means for obtaining spiritual fulfillment without cluttering the head with more and more information that evolutionary piece of Spirit work that takes a person beyond concepts and knowledge to actually achieving the changes he or she seeks a methodology that amps up the spiritual process a perspective that heals the pain ego causes and gives us access to the authentic self an experience in which you need do nothing to gain the whole world a clear and simple way to apply your existing spiritual knowledge the spiritual fountain of youth once you experience it you return to the place youve always wanted to be a personalized simple way of finding your true self by getting rid of the pain that ego has caused in your life life changing an experiential framework for understanding the world and a structure on which to build ones life a life transforming experience once youve been through it it is impossible to return to a life driven by ego     **Choose Spirit Now** Ginger Graf Dunaway,2014-12-15 Ponder this a moment Before it was proved that the world was round could you imagine trying to convince someone that they were really living on a huge round planet spinning around the sun People would look at you like you were crazy What if I told you that most of us are living immersed in a thought and belief system the ego that is completely running the show that is completely responsible

for our suffering in many forms Crazy right Whats crazy is the stress anxiety jealousy insecurity worry depression anger guilt loneliness etc that this thought and belief system causes as the ego bogs us down in the busyness of life and old engrained belief patterns enabling us to forget the most important truth we need to remember amid this human experience Choose Spirit Now is a how to for spiritual awakening bringing together the best of both the ancient practice and teachings of yoga and the spiritual teachings from A Course in Miracles to finally free us from this ego thought and belief system by shining the light on every nook and cranny where it is hiding out Are you ready to begin the most fascinating exploration of your own self and in the process reveal your absolute right to wholeness happiness and contentment as God given gifts to all of us Check out ChooseSpiritNow com to experience this book as an online retreat and for continued support for living a life fully awake
