

THE GREATEST STORY EVER TOLD

An Eyewitness Account

A photograph of a person in a dark, hooded robe standing in a stone tunnel, looking towards a bright light at the end. The tunnel is made of rough-hewn stone and has a low, arched ceiling. The light at the end of the tunnel is very bright, creating a strong silhouette of the person and casting a long shadow on the floor. The overall atmosphere is mysterious and dramatic.

Beyond The End Times The Rest Of The Greatest Story Ever Told:

Beyond the End Times John R. Noe, 2000 A Compelling introduction to past fulfillment of Bible prophecy Edward E Stephens International Preterist Association **The End Times Controversy** Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future

Across the Spectrum Gregory A. Boyd, Paul Rhodes Eddy, 2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University Across the Spectrum succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems The book will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen Bibliotheca Sacra I've been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It's settled I'm requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University *The Last Things* Donald G. Bloesch, 2010-03-23 In *The Last Things* Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church *The Last Things* is not just a review of past Christian

eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today **Peak Performance Principles for High Achievers** John R. Noe,2005-06 Using his mountain climbing experiences as an allegory for the challenge of goal setting and the thrill of ultimate achievement the author teaches how to realize both personal and career potential and succeed in any endeavor

Daniel in the Preterists' Den Thomas A. Howe,2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole

Christian Zionism Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I

had been searching I couldn't be happier that this is published. You and I see eye to eye on this issue. Yours is a true prophetic voice so badly needed in the current prophecy frenzy. And when this mania also affects national and international policy the danger takes on larger proportions. Professor Paul Maier's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian-Israeli conflict. Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals. The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ. Dr. Donald Wagner's study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance. It provides a fascinating survey of the history of Christian Zionism and an in-depth analysis of the theology of this highly important and influential movement. Rabbi Professor Dan Cohn-Sherbok, *The Second Greatest Story Ever Told* Michael Gaitley, MIC, 2015-02-19. In *The Second Greatest Story Ever Told* bestselling author Fr. Michael Gaitley, MIC reveals St. John Paul II's witness for our time. Building on the prophetic voices of Margaret Mary Alacoque, Thérèse of Lisieux, Maximilian Kolbe, and Faustina Kowalska, *The Second Greatest Story Ever Told* is more than a historical account of the Great Mercy Pope. This book expounds on the profound connection between Divine Mercy and Marian consecration. It serves as an inspiration for all those who desire to bear witness to the mercy of God. Focused on Christ and formed by Mary, now is the time of mercy. Now is the time to make John Paul's story your own. *The Greatest Story Ever Told--So Far* Lawrence M. Krauss, 2017-03-21. An award-winning theoretical physicist and best-selling author of *A Universe from Nothing* traces the dramatic discovery of the counterintuitive world of reality explaining how readers can shift their perspectives to gain greater understandings of our individual roles in the universe. Publisher: American Book Publishing Record, 1997. **Mysteries of the New Jerusalem** Lonnie Martin, 2010-11-29. *Mysteries of the New Jerusalem* is the third book in the *Mysteries of the Everlasting Kingdom* series. It deals with the astonishing details about the coming New Jerusalem and how it will affect you. We won't be going to heaven (John 3:13) but heaven is coming to us (Rev. 21:2-5). Where will you be during the Great Tribulation? A great many people assume that the church will be spared the anguish of the Tribulation by being raptured into heaven. Others believe that the church will flee to a place of safety on earth such as Petra but not stay in the place for the full 1260 days, opting to spend a year in the third heaven. Others plan to be in a place on earth the entire time. Some hope that believers will be protected in their homes as the nations around them are being decimated. Consider the evidence presented here and ask yourself if a Place of Safety is to be directly above us in plain view. **Born Again, The 2nd Greatest Story Ever Told**, The Best Story Ever Told Peter Sheehan, 2013. Bigger than The Bible, The Koran, and Even The Other Book of Pooh. Blamed for global warming, promiscuity in teenagers, economic meltdown, nearly turning Allah straight, and what happened to the dinosaurs. Life explained like never before. It's seeking legal advice. Free economic advice is worthless of course. Expand
