discover the secrets of the Sumerian Anunnaki and the origins of all physical and metaphysical systems born from the Mesopotamian Mystery Tradition that directly led to Babylonian religion a unique combination of Sumerian Akkadian Assyrian and Chaldean lore revealed with perfect clarity for all modern readers the academic esoteric and even the just curious Originally published in two installments as Liber 50 and Liber 51 52 this new commemorative edition of The Sumerian Legacy formerly Sumerian Religion collects some of the most critical contributions from the modern Mardukite Research Organization rewritten and revised in combination with amazing new cover graphics by Kyra Kaos *The Necronomicon* Baphomet Giger, 2017-03-31 A workbook of sumerian witchcraft To invoke the gods of The Necronomicon know first that they are powerful The gods of the necronomicon can t be controlled they will control you Your fate will lie in the hands of the God or goddess you invoke know that the gods and goddesses do not always agree with each other and some are forgetful Necronomicon Joshua Free, 2012-02-09 An authentic Necronomicon for the masses The abridged compact nostalgia edition excerpting the Year 1 Anthology in 2009 by Mardukite Truth Seeker Press as the Necronomicon Anunnaki Bible edited by Joshua Free Ever since the visions of H P Lovecraft began to haunt the world people from all walks of life have celebrated various interpretations of these musings We are shown a world shroud in darkness that has been materialized by primordial malignant gods who fought one another for control of the Universe and for the worship of the humans who brought to them sacrifices and abominable litanies But as many have already assumed this Necronomicon tradition was indeed the product of Lovecraft s imagination and it only much later became known as the Cthulhu mythos a haven for horror fantasy genre authors For nearly a century thereafter the Necronomicon remained a fictional product of dark fantasy until the famous Simon folio was presented to the world in 1977 While many readers superimposed the Lovecraftian lore into their interpretation verbatim this new document did not present rituals by which the malignant Ancient Ones would be unleashed into this world in fact it suggested the exact opposite beneath the foundation of the esoteric mysteries exists a secret and sacred tradition to fight against this very act As an unfortunate move by its contemporary readership the Simonomicon came under attack as being no more authentic than Lovecraft s own stories More serious practitioners came to a more educated conclusion the magickal notebook or grimoire was incomplete at best alluding not to the Enlilite traditions common to the Sumerians but rather to a Mardukite tradition that was raised by the Babylonians in honor of Marduk firstborn son of Enki Since 2008 the range of the Mardukite work included lengthy discourses with other related published researchers unceasing hours in abandoned corners of old libraries and museums participation in sessions with other practicing occultists and even a visit to the tablet collections at the University of Pennsylvania and Chicago among others The culminating results were nothing like anyone would have expected an authentic and verifiable version of the Necronomicon salvaged from the shifting desert sands of time in the Middle East and Egypt unparalleled by anything already available to True Seekers It appeared to be the most complete collection of ancient writings on the planet that formed the very

foundation of all the human traditions and beliefs that would emerge thereafter Given this we concluded that being the ancient source of our modern traditions that have had the meaning washed out of them this path was the most perfect complete and logical example we currently have to pursue on this planet This present edition of the Necronomicon edited by Joshua Free is not Lovecraftian or Simonian while it could serve to offer validity to materials from both sources for those who seek it neither is it dangerous or a hoax though those who fear the revelation of these truths for the world will think it the former and label it the later This edition of the Necronomicon is the single most ancient and pure unaltered lore concerning the hottest topics of our time and all times including divinity creation human origins aliens religion pantheistic magickal traditions alternate dimensions portals and the afterlife In this new millennium of uncertainties it is most likely that the uncovering of the past will reveal our future
