Clooney, 2008-10-08 Beyond Compare is a remarkable work that offers a commentary on spiritual learning for the twenty first century rooted in two classic texts from the Hindu and Christian traditions the Essence of the Three Auspicious Mysteries by r Ved nta De ika and Treatise on the Love of God by St Francis de Sales In his commentary Clooney achieves multiple goals the book is a contribution to Christian spiritual theology highlighting for today the beautiful insights into love by St Francis de Sales 1567 1623 Doctor of the Church At the same time it points out how even in our world of many religious paths we can recover and deepen the ancient tradition of loving surrender into God s hands by opening ourselves to the wisdom of India and one of Hindu India s most famous traditions of loving God explained to us by the south Indian Hindu theologian r Ved nta De ika 1268 1369 Clooney goes further offering a comparative study of these classic works in which he self consciously writes about the process of reading the two works and the impact this approach has on the reader The good advice found through this deep engagement with these texts offers a deeper insight into how we can most fruitfully and spiritually think about religious pluralism in the 21st century remaining open in heart and mind while loyal still to our own tradition Not merely a book about loving surrender to God Beyond Compare offers us the opportunity to advance along that path ourselves learning from the wisdom of St Francis de Sales and r Ved nta De ika meditating on their two paths together deepening our own love and willingness to surrender in love to God [Office User Guide for MicroStrategy 10](#) MicroStrategy Product Manuals, 2015-06-04 *A Reference Guide to Latin American History* James D.
