Sitting in the Lotus Blossom is the information they asked me to translate into written language and share with the world It is about the meaning of life this life and the life beyond the evolution of consciousness and who we truly are I asked them who they were and what they looked like and using my cartoon drawing talent I drew them as I saw them I know it s a little weird and this was during the New Age revolution but every time I go back and read what I transcribed I m amazed at the insight they imparted

THE ETERNAL TRUTHS Within The Portal honors all religions and paths and reveals that which they have in common and unites them rather than arguing over their differences. It is as the title says, a complete Guide To Spiritual Awakening.

[You Think You Know Islam?](#) Dr. Ali Al-Tarafi, 2016-07-05. Scanning the media in the non-Islamic world, you may perceive the image of Islam as a religion living in the Dark Ages at war with itself and humanity. It is often portrayed as a brutal religion associated with extremism and terrorism. Acts like those of the Islamic State of Iraq and the Levant (ISIL) and al-Qaeda, known for chopping non-Muslim and Muslim heads, conducting suicide bombings on civilians, and attacking and killing innocent people across the world, are highlighted as examples. Muslims may call Islam a religion of peace; however, the media describe it as a religion of war and atrocities, a religion that spreads by the sword. Reading the media, you would also think that Islam subjugates women, treats them as second-class citizens, ascribes them the status of a servant, forces them to wear hijab, mutilates their genitals, ascribes them little or no rights, basically living in a chauvinistic man's world. You would also think that Islam's religious practices are out of date, meaningless, and arduous practices that are difficult to follow in our current socioeconomic environment. Islamic sharia law is out of alignment with current society, representing practices of the seventh to the twelfth centuries and therefore has no place in today's world. If this is the image you have of Islam, including those who consider themselves as Muslims, then think again. You certainly don't know Islam. This book is for you.
