Beyond Integrity A Judeo Christian Approach To Business Ethics 2nd Edition:

Beyond Integrity Scott Rae, Kenman L. Wong, 2012-02-21 Integrity is essential to Judeo Christian business ethics But today's business environment is complex Those in business and those preparing to enter the business world need to grapple with the question of how integrity and biblical ethics can be applied in the workplace They need to go beyond integrity in their thinking *Beyond Integrity* is neither excessively theoretical nor simplistic and dogmatic Rather it offers a balanced and pragmatic approach to a number of concrete ethical issues Readings from a wide range of sources present competing perspectives on each issue and real life case studies further help the reader grapple with ethical dilemmas The authors conclude each chapter with their own distinctly Christian commentary on the topic covered This Zondervan ebook of the third edition has been revised to provide the most up to date introduction to the issues Christians face in today's constantly changing business culture Revisions include 30 new case studies 13 new readings 50% substantially revised sidebars that reflect the issues in the news and business press summaries and material for discussion

Beyond Integrity Scott Rae, Kenman L. Wong, 2009-05-26 Integrity is essential to Judeo Christian business ethics But today's business environment is complex Those in business and those preparing to enter the business world need to grapple with the question of how integrity and biblical ethics can be applied in the workplace They need to go beyond integrity in their thinking *Beyond Integrity* is neither excessively theoretical nor simplistic and dogmatic Rather it offers a balanced and pragmatic approach to a number of concrete ethical issues Readings from a wide range of sources present competing perspectives on each issue and real life case studies further help the reader grapple with ethical dilemmas The authors conclude each chapter with their own distinctly Christian commentary on the topic covered This third edition has been revised to provide the most up to date introduction to the issues Christians face in today's constantly changing business culture Revisions include 30 new case studies 13 new readings 50% substantially revised sidebars that reflect the issues in the news and business press summaries and material for discussion

Business Ethics - Faith That Works, 2Nd Edition Larry Ruddell, 2014-11-06 Business Ethics *Faith That Works* 2nd Edition shows how faith forms the foundation for the theory and practice of business ethics and how ethical leadership results in long term success in business It challenges readers to understand their own beliefs and actively base the ethics they practice in business on those beliefs for building an ethical culture that can lead to a sustainable competitive advantage The book begins by covering business ethics basics highlighting how ethics are good for business Ruddell then analyses the Scriptural teaching about business ethics as a model for how faith can and indeed must integrate with business ethics and then contrasts with other secular views of business ethics He continues by reviewing steps for solving ethical problems in business and how to set up and carry out an effective ethics program inside the business and how companies can extend those ethics to those around them through effective social outreach programs and to the environment by being good stewards of our resources

Activist Business Ethics Jacques Cory, 2012-10-05 Jacques Cory's second book

Activist Business Ethics expands upon the theoretical concepts developed in his first book Business Ethics The Ethical Revolution of Minority Shareholders published by Kluwer Academic Publishers in March 2001 Activist business ethics is needed in order to remedy the wrongdoing committed to stakeholders and minority shareholders This will be achieved by cooperation between ethical businessmen activist academics stakeholders and minority shareholders We should treat others as we would want others to treat us not through interest but by conviction Yet this principle is not the guideline of many companies in the modern business world despite the fact that most religions and philosophers have advocated it in the last 3 000 years How can we convince or compel modern business to apply this principle And is it essential to the success of economy In order to answer these questions this book examines the evolution of activist business ethics in business in democracies in Christianity Judaism Islam Buddhism in philosophy and psychology The book examines international aspects the personification of stakeholders the predominance of values and ethics for CEOs and the inefficient safeguards of the stakeholders interests The book presents new vehicles for the safeguard of those interests such as the Internet Transparency Ethical Funds and Activist Associations and future activist vehicles such as the Supervision Board and the Institute of Ethics Today everybody is a stakeholder and a minority shareholder of a company directly or through our pension funds or as a client a supplier a member of a community and a citizen The principal premise of the book is therefore that ultimately the wrongdoers act against themselves The book is woven with many references on ethics and business ethics from the professional and classic world literature the Bible and other religious texts poetry maxims and folk tales showing that ethical problems are similar throughout the ages and cultures but some of the solutions given in this book are new and original Activist Business Ethics is primarily intended for the academic market and is particularly appropriate for academics in business administration ethics and finance It should also appeal strongly to the professional business finance market and to stakeholders and minority shareholders as well who are aware of the wrongdoing committed to them and who want to remedy the situation by activist conduct

Moral Choices Scott B. Rae, 2009 Now in its third edition this foremost college ethics text helps students form a basis for practical ethical decision making in contemporary culture Substantial updates and revisions include a new chapter on ethics and economics online resources for instructors current case studies new material on bioethics and stem cell research and more

Business Ethics K. Praveen Parboteeah, John B. Cullen, 2013-04-12 Business Ethics provides a thorough review and analysis of business ethics issues using several learning tools Strategic Stakeholder Management as the Theme All chapters use a strategic stakeholder approach as a unifying theme The text is thus the first text that adopts this approach Most business ethics scholars and practitioners agree that successful ethical companies are the ones that can strategically balance the needs of their various stakeholders By adopting this approach students will be able to see how the various aspects of business ethics are connected Theory based and Application based All chapters have important applicable theories integrated with discussion of how such theories apply in practice Unlike other

texts that are either too theoretical or too practical this text provides the appropriate blend of theory and practice to provide deeper insights into the concepts covered in the chapter Global Perspective Unless most other texts this text provides a global perspective on business ethics Most chapters include material pertaining to ethics in global contexts Included are cases about companies in a wide range of countries including Japan U K China and India among many others Cases The text contains over 30 real world global cases Each chapter ends with a short two page case as well as a longer case that varies in length Each has discussions questions at the end Finally each of the four parts ends with a Comprehensive Case proven teaching cases from The Ivey School and other sources

The Real Royal Family James E. Schultz, 2021-03-26 God made human beings in his image and that is what makes us so valuable Yet there are vastly different ideas of what the image means and how sin affects the image and each of those ideas impacts the claim that the image grounds human value People have treated one another in either horrible or wonderful ways based on their theologies of the image This book examines the logical implications of various image doctrines in the real world Also in Genesis 1 26 27 the image of God is closely tied to the first stated purposes of human life in Genesis 1 28 Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches To live out our part in God s creation project we need to understand the image of God within the unfolding story Scripture narrates from creation to new creation This book builds a theology of the image of God by situating it firmly in the biblical narrative harnessing the insights of biblical theology and conversing with theologians past and present to form a coherent story of God his children and his creation in this age and the age to come

Business for the Common Good Kenman L. Wong, Scott B. Rae, 2011-01-28 Is business just a way to make money Or can the marketplace be a venue for service to others Scott B Rae and Kenman L Wong seek to explore this and other critical business issues from a uniquely Christian perspective offering up a vision for work and service that is theologically grounded and practically oriented

The Ethics of Business Scott Rae, 2012-04-10 Derived from Scott B Rae s widely adopted textbook Moral Choices this digital short looks carefully at economic life in the Bible and at a range of economic and business issues including wealth materialism work calling capitalism human resources management product safety and more Rae covers moral and theological principles for a biblically ordered economic life and also includes cases and questions for further discussion The Ethics of Business thus provides a wise and well grounded introduction to an everyday ethical question for Christians namely How can I best serve God in my work and finances

Introducing Christian Ethics Scott Rae, 2016-08-16 Introducing Christian Ethics helps Christians form a sound basis for making ethical decisions in today s complex postmodern world Raising 14 key ethical questions on today s most pressing issues including abortion war sexual ethics capital punishment and more Scott Rae guides his readers in making moral choices wisely Based on the best selling college and seminary ethics textbook Moral Choices this book distills nearly two decades of teaching and study into a succinct and user friendly volume It is an ideal primer for pastors students and everyday Christians who desire engagement with the world

around them in an intelligent and informed manner Teaching and study resources for the book including additional video clips based on the questions corresponding to each chapter make it ideal for use in the classroom as well as for pastors and for teaching settings within the church Resources are available through ZondervanAcademic.com

Executive Ethics II Ronald R. Sims, Scott A. Quatro, 2016-06-01 This 2nd edition of Executive Ethics provides a variety of contemporary and timely readings squarely focused on the ethical dilemmas and challenges faced by today's C suite executives In addition to identifying these dilemmas and challenges the contributors provide both knowledge and insight on how C suite executives can proactively address such ethics issues The contributors provide unique value propositions for the C suite regarding the most critical ethical issues facing organizations today while also highlighting useful information for senior executives interested in integrating ethics into the leadership and management practices of their organizations In the end the book empowers C suite executives to build a long term strategic and enterprise wide approach to ethics

Responsibility, Ethics and Legitimacy of Corporations Jacob Dahl Rendtorff, 2009 Business ethics corporate social responsibility corporate citizenship values driven management corporate governance and ethical leadership are necessary horizons for the legitimacy of corporations in the process of globalization Based on hermeneutics and institutional analysis this book discusses the place of values in corporations and the role of ethics in management With the theories of business ethics as a starting point it is possible to propose a vision of the good citizen corporation The book presents theories concepts of responsibility for stakeholder justice and basic ethical principles of respect for autonomy dignity integrity and vulnerability This is the foundation for an analysis of the ethical relations to internal and external constituencies of the firm i.e. shareholders owners investors management employees consumers and local community The interaction with the environment is further analyzed with a focus on ethical principles as the basis for sustainability This investigation culminates with the conceptualization of the firm as a collective and institutional moral agent The content also includes analysis of concrete political developments in the US Europe and the United Nations Finally the book provides a framework for a new corporate strategy based on global business ethics

The Matrix of Christian Ethics Patrick Nullens, Ronald T. Michener, 2013-12-06 Patrick Nullens and Ronald T Michener seek to revitalize Christian ethics through an integrative approach to classical ethics Their matrix of consequential principle virtue and value ethics provides an alternative to postmodern situation ethics and brings the framework of biblical wisdom to bear on contemporary ethical questions

Overcoming the Corruption Conundrum in Africa Anzanilufuno Munyai, 2020-01-15 This book adopts a holistic approach to identifying what could be done to surmount the corruption conundrum in the African continent It acknowledges the objective reality of

corruption in Africa and identifies primary solutions to the issue The volume takes a socio legal approach in order to reveal the nature and extent of corruption and suggests that solutions can be found simply by interrogating how society reacts to it In conjunction with this the book identifies and critiques constraints in the formation of a definitive definition of corruption As shown here although it is critical for African states to develop anti corruption strategies the solution to the problem requires an understanding of the significance of political will and how the lack thereof has led to the endurance of corruption in Africa

Christian Contours Douglas S. Huffman,2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews Christian Contours answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it is easy to divide life into separate compartments religious and secular theological and practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of Christian Contours guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind

The Ethics of Disruption in Business Stephanie Ann Puen,2024-11-05 Disruption is a buzzword for many economists and businesses but how do we ethically disrupt the way we do business and economics in order to lift people up This book offers resources from a conversation between Catholic social thought and design thinking in response to the question Drawing from the understanding of structures of sin and structures of grace in Catholic social thought and the concepts of design thinking this book offers principles to consider in trying to disrupt our business and economic systems toward becoming more like structures of grace
