Beyond The Lectionary Beyond The Lectionary:

Beyond the Lectionary David Ackerman, 2013-06-28 *Beyond the Lectionary* gives preachers a new year of Biblical texts that are not found on Sundays or other mainline Protestant holy days in the three year cycle of the Revised Common Lectionary. It provides readings from the Hebrew Bible, Psalms, Epistles, New Testament and Gospels for each Sunday of the liturgical year along with several midweek observances. The texts have been selected with an eye toward continuity, progressing in order and complementarity, textual completion or harmony, and they are accompanied by commentaries and prayers. Written in language that is accessible to both lay people and professionals, *Beyond the Lectionary* has the potential to transform congregational culture by bringing more of the content of scripture to people's awareness. Douglas Leal, 2022 Assemblies recognize the difference between a lector who simply reads and one who truly proclaims the Word of God. They perk up and take special notice when they sense that the lector has worked to get inside the text to express the meaning authentically and to draw them into the story. Douglas Leal has spent decades as a lector, lector trainer, actor, and director. He knows how to coach lectors beyond reading so they can become proclaimers of the Word. The conversational, spirited style of the book recreates the sense of a live training session with the author. In a magazine format with running text surrounded by boxes that focus on a particular subject and techniques, a tool from the actor's toolbox, or an encouraging story from the world of acting, the book presents a wealth of wisdom and practical instruction that can carry a lector far beyond basic training. Chapter by chapter, Leal guides lectors to understand their role as sacred storytellers. Learn how to study the text closely, understand its style, notice its literary devices, consider its context in the Bible, the liturgical year, and the lectionary, use Scripture resources to arrive at its meaning, practice the text and pray it, work with their voice, articulation, tempo, rhythm, pauses, volume, and inflection. Develop comfort with nonverbal skills: eye contact, posture, and facial expression. Choose an intention appropriate to the text and responsive to the needs of the community. Understanding and expressing the true emotional content of the text. Staying focused on the text, cultivating authenticity and humility, and seeking feedback. Overcoming nervousness, mistakes, colds, and other unexpected problems. Developing a plan for practice and preparation.

Beyond Parochial Faith Jeanette Blonigen Clancy, 2019-05-28 *Beyond Parochial Faith* A Catholic Confesses weaves the author's personal story of woundedness and healing with her spiritual evolution. While working through and growing from personal relationships, Clancy wrestles with large questions of life's meaning. Her spiritual transformation allows no denial of God's existence, but her rational mind cannot accept the Christian Father-Son myth. She moves from parochial faith to faith informed by science, world religions, and the arguments of atheists. Clancy denounces what she calls sexist God talk and espouses secular spirituality while also honoring Jesus and religious myths for being avenues to transcendence. *Beyond Parochial Faith* shows a deeply spiritual life independent of religion's dictates. None the Goddess, sexual assault, the MeToo movement, and a gay priest play roles in this story. The author's questioning epitomizes Western

spiritual evolution in the twenty first century **Acts of the Apostles** Ronald J.
