Business Studies September Preparatory 2014:

The Report: Peru 2014 Oxford Business Group,2013-12-19 Over the past decade Peru has seen a period of transformative growth effectively positioning it as one of the leading economic performers in Latin America Posting growth rates in excess of 6% from 2010 12 the economy expanded by a further 5 1% in the first half of 2013 A major metals and minerals exporter with a burgeoning agricultural sector Peru s rapid economic growth has been the result of elevated global demand for commodities and key exports as well as prudent fiscal planning and the expansion of non primary sectors With an investor friendly legal framework Peru has become a prime destination for foreign direct investment and was recently ranked the second best country for doing business in Latin America by the World Bank Despite ongoing social conflict related to extractive industries and a sizeable infrastructure gap Peru s stable macroeconomic environment and its efforts to diversify and guard against price volatility should ensure continued growth for this Andean economy **Naval Leadership in the**

Atlantic World Richard Harding,Agustín Guimerá,2017-03-30 The naval leader has taken centre stage in traditional naval histories However while the historical narrative has been fairly consistent the development of various navies has been accompanied by assumptions challenges and competing visions of the social characteristics of naval leaders and of their function Whilst leadership has been a constant theme in historical studies it has not been scrutinised as a phenomenon in its own right This book examines the critical period in Europe between 1700 1850 when political economic and cultural shifts were bringing about a new understanding of the individual and of society Bringing together context with a focus on naval leadership as a phenomenon is at the heart of this book a unique collaborative venture between British French and Spanish scholars As globalisation develops in the twenty first century the significance of navies looks set to increase This volume of essays aims to place naval leadership in its historical context An electronic version of this book is freely available thanks to the support of libraries working with Knowledge Unlatched KU is a collaborative initiative designed to make high quality books Open Access for the public good The Open Access ISBN for this book is 978 1 911534 76 1 More information about the initiative and details about KU s Open Access programme can be found at www.knowledgeunlatched.org **Daily Graphic**
