Trevor R. Summerlin, 2023-02-14 This book draws on Trevor's experience in both Christian and secular organisations to look at different patterns for leadership and he explains the necessity for every leader to model a clear strategy for their work. He outlines 8 different philosophical approaches, he identifies 14 potentially destructive attitudes that should be avoided, he highlights 10 major qualities by which every leader should seek to measure themselves and he includes a massive resource in his bibliography. The book is essential reading for every person in any leadership role, whether in business, industry, education or commerce, for every church leader, for every leader in a charity or voluntary organisation, for every person contemplating a position of leadership and for every person who is following someone else's leading. Trevor explains that every organisation would benefit from appointing leaders who accept and understand how to apply these key principles of Christian Leadership.

**Christian Ministries And Basic Leadership** Dipo Toby Alakija, 2015-10-17 As it is common to say that the hood does not make a monk, the dignified positions and bogus titles of many Christian leaders in modern days do not really make them Gospel Ministers. This course book, a compilation of five resource materials on Missions And Outreach Ministries, Christian Communication Arts, Christian Leadership, Christian Education Methodology and Ministries Of Improvisations, aims at making every matured Christian an effective minister and leader at their respective homes, communities and nations. It teaches various ways Christians can communicate the word of God, meeting up to their responsibilities as ministers and leaders that reconcile people to God, edifying the Body Of Christ and reaching out to souls at the same time. All of the resource materials are in use in Bible Schools like College Of Christian Education And Missions in Churches and other ministries to raise Christian workers, Evangelists, Missionaries and other Ministers that serve at various levels and leadership capacities.

Successful Christianity And Basic Ministries Dipo Toby Alakija, 2016-04-12. The first question is how Christianity is practiced even in a hostile environment. Next to that is the question about the potentials of Christians in spite of their apparent limitations. The other issues are connected to the successes, deliverance, callings, basic ministries of all Christians, and evangelism. Various schools of thought have attempted these questions, but many answers only portray Christianity as a form of religion instead of a way of life as specified by God. Some answers give room for compromise, hypocrisies, dogmas, and denominational doctrines. The misconceptions about these areas of Christianity have brought about worldliness instead of righteousness and false achievements instead of fulfillment. This book, which contains six different subjects, had been used to hold seminars at various levels, train ministers and Christian workers in Bible Schools, and to equip the Church. It explains in simple terms the seemingly complex issues on the practice of Christianity: Potentials, Deliverance, God's Kind Of Success, Evangelism, and Basic Ministries of a Christian, with Biblical principles, life-transforming stories, and illustrations.

*The Way the Church Ought to Be* Robert Allan, 2002-05. **The Secret Success of Marriage** BRANFORD B YEBOAH, 2015-05-18. Prayer has always been a vital part of Christian life. By studying the prayers of men of God in the Scriptures, you will begin to understand the concept of prayer. The men whose prayers moved God to act were ordinary men like us. Nevertheless, they knew the power of prayer and its benefits. The prayer these men prayed was not ordinary prayer but intense prayer. People who pray with God have a relationship with Him. If you carefully study Scripture, you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages. Their prayer demonstrates the principles that can be gleaned and clearly identified and which, if applied to marital life, can work wonders. When studied, the prayers of these great men who walked with God provide a wealth of insight. The New Testament offers us prayer to which we even better relate. The Gospels centre on key events in the life of Christ, including examples of prayer. These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray.

*Managing Conflict God's Way* Richard W. Tow, 2025-08-11. *Managing Conflict God's Way* is more than just a helpful book; it's a timely and Spirit-led resource that speaks directly to the heart of where so many of us live and lead in the often messy, complicated world of human relationships. Rooted in Scripture and filled with practical wisdom, this book guides and equips pastors and Christian leaders with everyday tools to move beyond avoidance or aggression and toward healing and reconciliation, even in life's hardest moments. As a former pastor, I

know how easily unresolved conflict can tear at the fabric of a church break families apart and damage the witness of the gospel That s why this book matters It offers more than just strategies and skills it invites you into a Christ centered way of living and leading grounded in the call to love your neighbor as yourself In today s divided world this book is both a timely and transformative guide a much needed resource for the church I wholeheartedly recommend Managing Conflict God s Way to every Christian leader who desires to walk in peace and guide those they lead on the path of a true peacemaker Dr John Battaglia Director of the Doctor of Ministry program Professor of Practical Theology Assemblies of God Theological Seminary The writing is clear thoughtful and grounded in both biblical truth and sound conflict theory It begins with a thorough discussion of Scripture and its mandates for managing relationships and conflict then moves into an extensive exploration of conflict theory principles and strategies While it covers standard topics in the field it also addresses areas not typically found in conflict texts For example the discussion of interests and satisfaction goes beyond the basics to offer detailed strategies for collaboration Topics such as building trust recognizing boundaries seizing the opportunities of conflict forgiveness and reconciliation confrontational communication and the dangers of demonizing others are all handled with depth and originality supported by Scripture contemporary conflict theory and a rich tapestry of examples drawn from Richard s extensive professional experience in both secular and faith based contexts Charlene A Berquist Ph D Emeritus Professor and Former Director Center for Dispute Resolution Missouri State University Co Founder Communication and Conflict Management Associates CCMA
