You Through Jason Crabb,2011-01-04 More than anything else this book is about an amazing God who reaches down and touches ordinary lives It is a testimony of all He has done for Jason Crabb's family and for the people he has been privileged to meet throughout the years on the road He wrote this book because every soul walks through the fire of adversity Most of us have walked that plank several times Whether the life of your dreams is unfolding before your eyes or you are losing hope that it ever will you have tasted a trial or two No human being with breath in his lungs can say Difficulty has never darkened my doorstep You may have entirely different life experiences than Jason Yet when you look in the rearview mirror you can see the high points and low points of days gone by The important thing the truly amazing thing is that like Jason you came through all of it There may be a scar or two to remind us of the past but the past is behind us Jason Crabb wants you to know

that you came through it for a reason There is something God is yet going to do with you The important things to remember is that you can go through the fire with God s help **After the Hurt** Hillary Williams,2019-09-06 After the Hurt with God as my therapist is the story of my journey toward uncovering and pursuing my destiny The book contains biblical truths and draws some parallels to some stories from the Bible The hope for this book is for it to reach all the people who are or have been hurt by experiences that life sends to challenge and break the psyche The journey outlined in this book spans over twenty years and started with the end of my first marriage I share experiences from the struggles of single parenthood failed relationships low self realization low self actualization low self regard and a lack of love for myself Many of the experiences that were shared in this book were difficult to put into words but they are my truth I wanted to show every reader of this book that despite the extent of your brokenness there is a God who loves you and will heal you if you let Him My life experiences have taught me that each of us can change and grow It took many years and many failures to realize that I would not find peace in my soul until I allowed God to do the work in me When I turned my life to God s complete control He had to show me the truth about me My truth was ugly it was messy and it seemed insurmountable God had a plan for me My Christian life was not without struggles and heartache but God showed me His plan for me Once I allowed God to break open my secret parts I recognized many faults that I was unaware of Then God showed me His principles that I had to live by Living God s way is not easy but my life was totally revolutionized Through the study of God s word I learned how to conduct myself and live by His word Through heightened education I learned emotional intelligence I became equipped for where God was taking me I am not the person I used to be neither am I finished with my therapy I am better than I was and more determined to equip others for success Eric Owen Wilson,2011-08 *Fear Not, For He Is with Us!* Brenda Carlisle Porter,2021-04-26 This is a very powerful book Your whole outlook on life can be changed You will love reading testimonies that the Lord has performed and also the powerful words of healing will become reality to you as you read it Regardless of what your past or future holds it is a healing and spiritual adventure There will be emotional moments as you walk through this book I am sharing my testimonies of my life before and after cancer Each day I get to write a new page I write prayers straight from my heart My life is a story of blessings the Lord has given me Christ has made a difference in my life and for what He has done for me I want to witness for Him When I was diagnosed with cancer the doctors did not give me hope It is natural for you to find yourself looking for all sources of hope You want signs from the Lord You always pray and ask for healing but as a human being you still have fear of the unknown You always want it in your timing but you have to wait for the Lord s timing Just know that you have to keep your faith and go to the Lord with everything Let go and let God Reading this book will give you peace of mind knowing that the Lord is in control and He is your ultimate source of hope I really feel like this book will encourage and empower you to take charge of your life while you are going through life s challenges Whether you are fighting a battle or not this book will give you faith hope and courage It can help you and your children
