Hotshot movie star Archer Davenport has never met a stunt he couldn't ace a challenge he couldn't overcome or a woman he couldn't have. When he breaks his leg during a dangerous stunt, the production company insists on hiring a live-in caretaker for him. He refuses the help until he meets Tessa Taylor. She's not only caring and beautiful, she's also as tough on him as a drill sergeant. Tessa knows all about confident men. She used to be married to one, and that didn't go well. Her only solace is her painting, even if she has no talent, as her late husband always claimed. Her biggest problem on this job, however, is that sexy magnetic Archer makes her toes curl with desire every time he's near. She does everything she can to try to remain professional. But it gets harder and harder every day as she starts to fall for him and for his amazing family, even though she knows she'll have to leave him for her next client as soon as he's fully recovered. Arch, however, has no plans to let Tessa disappear once his leg is fully recovered. In fact, as the sparks between them grow hotter and hotter, he's determined to show Tessa that she's not only the most incredible and loving woman he's ever known, she's also the most talented. And when Archer gives their heart away, it's forever.

ABOUT THE AUTHORS Bella Andre is the New York Times USA Today Publishers Weekly and Wall Street Journal bestselling author of *The Sullivans*, *The Maverick Billionaires*, *The Davenports*, and the *Married in Malibu* series. Her novels have been 1 bestsellers around the world, and she has sold more than 10 million books so far. Married with two children, Bella splits her time between the Northern California wine country, a log cabin in the Adirondack mountains of upstate New York, and a flat in London overlooking the Thames. Nicky Arden was born and grew up in the beautiful Pacific Northwest and later migrated to the California coast. The smell of the ocean and the sight and sound of waves crashing against the shore are among her favorite things. Throw in a little romance, and life is perfect. Her *Sunflower Cove* romance series is based in a fictitious seaside town on the Oregon coast where a family of mismatched siblings all find love. She moved a little further south to co-write the *Davenport* series with NYT bestseller Bella Andre, set in gorgeous Carmel by the Sea, where once more a series of brothers and sisters discover their perfect match. Nicky once worked for an NHL team, writing for their fan magazine, and that's where she got the idea for her hockey series. She can barely skate, but she loves the smell of a hockey rink right before a game, the excitement of the crowd, and cheering her favorite players on.

California Waves (The Davenports, Book 2) Bella Andre, Nicky Arden, 2024-05-30. A beautiful series. The writing, story, and characters are all amazing. I cannot wait to watch the other Davenports fall in love. 5 stars. When Herschel Greenfield achieved his dream of becoming an astronaut and going on

space missions he thought he knew the risks but he never expected his splashdown would go wrong and he'd nearly drown. He tells everyone he's fine but if that's true then why can't he get into the ocean? Somehow, somehow, he needs to conquer his fear so that he can continue going into space.

When pro surfer Mila Davenport suffered a career-ending accident that almost cost her life, she had to adjust to an entirely new life where she spent more time on land than in the sea. While she loves her new career as a realtor, nothing makes her feel more alive than riding the waves. Certainly, no man has ever come close to giving her that same rush that the ocean does. But after meeting Herschel when she learns about his emotional fallout from his crash landing, she wants nothing more than to help him learn to love the sea as much as she does, despite his harrowing experience. The only problem is that she also thinks he's incredibly sexy and can't help but want him. More than she's ever wanted anyone. And when it seems like he feels the same way about her, that's when things suddenly feel truly dangerous. Far more dangerous than any surfing accident or crash landing. Because this time around, Mila isn't just risking her body; she's risking her heart. But is Hersch willing to risk his heart, too? Or once he gets over his issues with the sea, will he be on the next spaceship out of town, and she'll be left with nothing but the memories of being with the most incredible man she's ever known?

Known for sensual, empowered stories enveloped in heady romance, Publishers Weekly has named her books *Cosmopolitan Magazine*, *Red Hot Reads* twice, and they have been translated into ten languages. There are more than 100,000 5-star reviews for Bella Andre's books on Goodreads.

Married with two children, Bella splits her time between the Northern California wine country, a log cabin in the Adirondack mountains of upstate New York, and a flat in London overlooking the Thames.

Nicky Arden was born and grew up in the beautiful Pacific Northwest and later migrated to the California coast. The smell of the ocean and the sight and sound of waves crashing against the shore are among her favorite things. Throw in a little romance, and life is perfect.

Her *Sunflower Cove* romance series is based in a fictitious seaside town on the Oregon coast where a family of mismatched siblings all find love. She moved a little further south to co-write the Davenport series with NYT bestseller Bella Andre, set in gorgeous Carmel by the Sea, where once more a series of brothers and sisters discover their perfect match.

Nicky once worked for an NHL team, writing for their fan magazine, and that's where she got the idea for her hockey series. She can barely skate, but she loves the smell of a hockey rink right before a game, the excitement of the crowd, and cheering her favorite players on.
