Better Safe Than Sued Keeping Your Students And Ministry Alive:

Better Safe than Sued Jack Crabtree, 2009-07-27 Most youth workers will admit that they don't spend a lot of time thinking about safety in their youth ministry. Sure they shout Seat belts when the crew loads into the van or they use the buddy system when at theme parks. But beyond that they're mostly concerned with introducing students to Jesus. Nothing's wrong with looking after their spiritual well-being but overlooking their safety can lead to pain and problems for you, your students, your church or your community. The reality is whether it's a game of dodgeball in the church gym or a rock climbing trip during a summer retreat you have precious cargo in your care and it's your responsibility to make sure they return home safely and in one piece. *Better Safe Than Sued* is an essential guidebook for anyone in youth ministry, paid or volunteer, veteran or rookie. Along with questions to get you thinking about your own ministry context after each chapter, inside you'll discover how you can make your ministry a safe place for students and leaders as you read about Safety while riding in buses, vans and cars; Camps, retreats and conferences; Selecting staff; Avoiding sexual misconduct; Establishing a No Bully Zone; How to handle injuries and much more. Make sure your ministry is safe and that you're protected so you never have to be the one saying, "I never took safety seriously until..."

If I Knew Then What I Know Now Len Woods, 2010-01-05 Everyone makes mistakes. But why make the same ones that other youth workers have already learned tough lessons through? Whether you're a youth ministry volunteer or you've just stepped into a full-time youth ministry position, chances are that you don't know everything, not yet anyway. Here you'll find wisdom from seasoned veterans who have been there and done that so you can avoid the pitfalls they've found themselves facing. With true stories from real youth workers you'll get the truth that you just don't learn in your seminar classes or volunteer training meetings. With thought-provoking questions, relevant Scripture and practical applications you'll learn from some of the common but avoidable blunders of youth ministry veterans such as Soul care slip-ups, Team building terrors, Relationship errors, Parent problems or is it problem parents, Programming pitfalls, Budget blunders, Moral minefields, Authority ailments, Crisis control. While most people will cover up their mistakes and hope to never be found out, these brave youth workers are laying it all out there so you don't have to make the same mistakes. Let their encouragement and wisdom be your most read training manual.
