Between Generations Daniel Bartaux, **Between Generations**, 2017 *Between Generations* concerns powerful memories that continue to shape the present but in this case in almost all families throughout the world What is it that parents pass down to their children How can we understand the mixture of conscious and unconscious models myths and material inheritance that are intertwined in both family and individual life stories These questions turn out to be unexpectedly complicated and answering them has suggested how a life story approach can provide a new key to research on the dynamics of the family and on social change Because culture is the essence of what makes individual humans into a group the core of human social identity its continuity is vital Cultures are always changing but the stability of languages religions and cultural habits can be astonishing In contrast to the claims of culture to represent tradition over centuries stands the sheer brevity of individual human life Hence the universal necessity for transmission between generations exists This paperback edition in the Memory and Narrative series brings together contributions from the Americas and Asia as well as from Western and Eastern Europe They combine the techniques of life story research with the insights of family therapy Interdisciplinary and intellectually stimulating the volume will appeal to students in many areas including history sociology literature psychology and anthropology Provided by publisher **Between Generations** Paul Thompson, Daniel Bartaux, 2020-04-29 *Between Generations* concerns powerful memories that continue to shape the present but in this case in almost all families throughout the world What is it that parents pass down to their children How can we understand the mixture of conscious and unconscious models myths and material inheritance that are intertwined in both family and individual life stories These questions turn out to be unexpectedly complicated and answering them has suggested how a life story approach can provide a new key to research on the dynamics of the family and on social change Because culture is the essence of what makes individual humans into a group the core of human social identity its continuity is vital Cultures are always changing but the stability of languages religions and cultural habits can be astonishing In contrast to the claims of culture to represent tradition over centuries stands the sheer brevity of individual human life Hence the universal necessity for transmission between generations exists This edition in the Memory and Narrative series brings together contributions from the Americas and Asia as well as from Western and Eastern Europe They combine the techniques of life story research with the insights of family therapy Interdisciplinary and intellectually stimulating the volume will appeal to students in many areas including history sociology literature psychology and anthropology **Family Love in the Diaspora** Mary Chamberlain, 2017-07-05 Colonial social policy in the British West Indies from the nineteenth century onward assumed that black families lacked morals structure and men a void that explained poverty and lack of citizenship African Caribbean families appeared as the mirror opposite of the ideal family advocated by the white colonial authorities Yet contrary to this image what provided continuity in the period and contributed to survival was in fact the strength of family connections their

inclusivity and support This study is based on 150 life story narratives across three generations of forty five families who originated in the former British West Indies The author focuses on the particular axes of Caribbean peoples from the former British colonies of Jamaica Trinidad and Tobago and Barbados and Great Britain Divided into four parts the chapters within each present an oral history of migrant African Caribbean families demonstrating the varieties organization and dynamics of family through their memories and narratives It traces the evolution of Caribbean life argues how the family can be seen as the tool that helps transmit and transform historical mentalities examines the dynamics of family life and makes comparisons with Indo Caribbean families Above all this is a story of families that evolved against the odds of slavery and poverty to form a distinct Creole form through which much of the social history of the English speaking Caribbean is refracted Family Love in the Diaspora offers an important new perspective on African Caribbean families their history and the problems they face for now and the future It offers a long overdue historical dimension to the debates on Caribbean families

Violence and Genocide in Kurdish Memory Eren Yildirim Yetkin, 2022-07-11 Kurdische Erinnerungen an den Genozid an den Armeniern stellen die systematische Leugnung durch die türkischen Staatsstrukturen in Frage und eröffnen neue Möglichkeiten der Vergangenheitsbewältigung Dieses Buch untersucht kurdische Biografien insbesondere aus Van in der Türkei und erforscht die Dynamik der miteinander verflochtenen Erinnerungsregime in Bezug auf die politische Gewalt an Armeniern und syrischen Christen in der osmanischen kaiserlichen Untertanen und an kurdischen Bürgern in der Türkei Diese Lebensgeschichten beleuchten die Komplexität des Erinnerns einschließlich kollektiver und individueller Erinnerungsvorstellungen über Gewalt Täterschaft und Opferrolle in Vergangenheit und Gegenwart

The Holocaust as Active Memory Marie Louise Seeberg, Irene Levin, Claudia Lenz, 2016-03-09 The ways in which memories of the Holocaust have been communicated represented and used have changed dramatically over the years From such memories being neglected and silenced in most of Europe until the 1970s each country has subsequently gone through a process of cultural political and pedagogical awareness rising This culminated in the Stockholm conference on Holocaust commemoration in 2000 which resulted in the constitution of a task force dedicated to transmitting and teaching knowledge and awareness about the Holocaust on a global scale The silence surrounding private memories of the Holocaust has also been challenged in many families What are the catalysts that trigger a change from silence to discussion of the Holocaust What happens when we talk its invisibility away How are memories of the Holocaust reflected in different social environments Who asks questions about memories of the Holocaust and which answers do they find at which point in time and from which past and present positions related to their societies and to the phenomenon in question This book highlights the contexts in which such questions are asked By introducing the concept of active memory this book contributes to recent developments in memory studies where memory is increasingly viewed not in isolation but as a dynamic and relational part of human lives

Between generations Daniel Bartaux, 1994 **Memories of Belonging: Descendants of Italian Migrants to the**

United States, 1884-Present Christa Wirth, 2015-02-11 *Memories of Belonging* is a three generation oral history study of the offspring of southern Italians who migrated to Worcester Massachusetts in 1913 Supplemented with the interviewees private documents and working from U S and Italian archives Christa Wirth documents a century of transatlantic migration assimilation and later generation self identification Her research reveals how memories of migration everyday life and ethnicity are passed down through the generations altered and contested while constituting family identities The fact that not all descendants of Italian migrants moved into the U S middle class combined with their continued use of hyphenated identities points to a history of lived ethnicity and societal exclusion Moreover this book demonstrates the extent of forgetting that is required in order to construct an ethnic identity

Body Counts Yen Le Espiritu, 2014-08-23 *Body Counts* The Vietnam War and Militarized Refugees examines how the Vietnam War has continued to serve as a stage for the shoring up of American imperialist adventure and for the re production of American and Vietnamese American identities Focusing on the politics of war memory and commemoration this book retheorizes the connections among history memory and power and refashions the fields of American studies Asian American studies and refugee studies not around the narratives of American exceptionalism immigration and transnationalism but around the crucial issues of war race and violence and the history and memories that are forged in the aftermath of war At the same time the book moves decisively away from the damage centered approach that pathologizes loss and trauma by detailing how first and second generation Vietnamese have created alternative memories and epistemologies that challenge the established public narratives of the Vietnam War and Vietnamese people Explicitly interdisciplinary *Body Counts* moves between the humanities and social sciences drawing on historical ethnographic cultural and virtual evidence in order to illuminate the places where Vietnamese refugees have managed to conjure up social public and collective remembering
