Between God And Man Between God And Man:

The Economy of the Covenants, Between God and Man Herman Witsius,1804 **The Life of the Lord Jesus Christ** J. P. Lange,2023-04-14 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *The Existence and Attributes of God (Vol.1&2)* Stephen Charnock,2023-10-30 In *The Existence and Attributes of God* Stephen Charnock masterfully constructs a theological treatise that elucidates the nature of God through rigorous philosophical argumentation and profound scriptural engagement Spanning two volumes this work synthesizes insights from classical philosophy with Protestant theology exploring God s existence infinite attributes and moral governance with a clarity that has influenced generations of theologians and philosophers Charnock s literary style is both didactic and contemplative inviting readers to engage deeply with complex doctrinal issues while grounding them in the rich tradition of Reformed theology Stephen Charnock 1628 1680 emerged as one of the leading figures in 17th century Puritan thought writing during a tumultuous period marked by the English Civil War and a climate of religious uncertainty His experiences as a preacher and his scholarly pursuits at Oxford undoubtedly shaped his profound conviction regarding the rational nature of faith as reflected in his meticulous approach to theology Charnock s legacy as a biblical thinker stems from his persistent quest to illuminate the character of God and understand divine attributes through reasoned discourse This seminal work is a must read for scholars theologians and anyone seeking a deeper understanding of God s nature Charnock s blend of intellectual rigor and spiritual insight provides a rich resource for contemplation and debate making it an enduring contribution to Christian philosophy and apologetics **The Critical and Miscellaneous Writings of Theodore Parker** Theodore Parker,1843 *The Evergreen* ,1852 Vols 1 7 include music

An Exposition of the Old and New Testament. In Six Volumes ... By Matthew Henry ... Vol. 1. [-6.] ,1791 *The Works of the Reverend and Learned Isaac Watts, D.D.* Isaac Watts,1811 *Reasons why the priests of Rome deny the laity under their charge the divine right of private judgment, by an Irish layman [F. Bell].* Francis Bell (of Portadown.),1883

The Natural Truth of Christianity: Selections from the "Select Discourses" of John Smith, M.A. John Smith,1882

The Fiery Brook Ludwig Feuerbach,2013-01-16 Feuerbach s departure from the traditional philosophy of Hegel opened the door for generations of radical philosophical thought His philosophy has long been acknowledged as the influence for much of Marx s early writings Indeed a great amount of the young Marx must remain unintelligible without reference to certain basic Feuerbachian texts These selections most of them previously untranslated establish the thought of Feuerbach in an independent role They explain his fundamental criticisms of the old philosophy of Hegel and advance his own humanistic thought which finds its bases in life and sensuality Feuerbach s contemporaneity as an existentialist humanist and atheist is clearly presented and the reader can readily grasp the liberating influence of this too long neglected philosopher Professor

Zawar Hanfi has written an excellent introduction establishing Feuerbach's environment importance and relevance and his translations surpass most previous Feuerbach translators *Truths versus Shadows, or the Real and the False* F. R. Waring, 1871 *Systematic Theology* Lewis Sperry Chafer, 1993-01-01 The original eight volumes now complete and unabridged in four Though scholarly in the true sense of the word this work can also be read and understood by those not formally trained in theology Charles C Ryrie *Judaism and Christianity* Crawford Howell Toy, 1890 **The Catechism Explained** Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven Preface **Discourses Upon the Existence and Attributes of God** Stephen Charnock, 1859 *Is God Man's Friend?* Carole J. Lambert, 2006 Original Scholarly Monograph **The Works of the Right Reverend Father in God, Dr. William Beveridge ... Containing All His Sermons ... Edited by Timothy Gregory. With a Preface Giving Some Account of the Author and His Writings by Isaac Kimber as Also Three Useful Tables, Etc. MS. Notes** William Beveridge, 1818 *The Table Talk and Omniana of Samuel Taylor Coleridge* Samuel Taylor Coleridge, 1888 **Circular**, 1868 **Christ and Controversy** Alan P.F. Sell, 2012-01-01 What may happen when Christians take doctrine seriously One possible answer is that the shape of churchly life on the ground can be significantly altered This pioneering study is both an account of the doctrine of the person of Christ as it has been expounded by the theologians of historic English and Welsh Nonconformity and an attempt to show that while many Nonconformists held classical orthodox views of the doctrine between 1600 and 2000 others advocated alternative understandings of Christ's person hence the evolution of the ecclesial landscape as we have come to know it The traditions here under review are those of Old Dissent the Congregationalists Baptists Presbyterians and their Unitarian heirs and the Calvinistic and Arminian Methodist bodies that owe their origin to the Evangelical Revival of the eighteenth century
