## **Between The Strokes Of Night:**

*Between the Strokes of Night* Charles Sheffield, 2013-04-29 In the 277th century Earth is dead but mankind survives in colonies scattered across the galaxy To these new worlds come the Immortals beings with strange ties to ancient Earth who seem to live forever who can travel light years in days and who use their strange powers to control the existence of ordinary mortals On the planet Pentecost a small group sets out to find and challenge the Immortals But in the search they themselves are changed as Immortals they discover a new threat not just to themselves but to the galaxy itself **Hugo Gernsback**

**and the Century of Science Fiction** Gary Westfahl, 2007-08-01 An examination of science fiction editor and author Hugo Gernsback's career this critical study explores the many ways in which his work influenced the genre It summarizes the science fiction theories of Gernsback and his successors considers his efforts to define science fiction both verbally and visually and for the first time offers detailed studies of his rarest periodicals including *Technocracy Review* *Superworld Comics* and *Science Fiction Plus* An analysis of his ground breaking novel *Ralph 124C 41 A Romance of the Year 2660* and its influences on a variety of science fiction novels films and television programs is also offered NBS Special Publication

, 1967 *Legibility of Alphanumeric Characters and Other Symbols: A reference handbook* United States. National Bureau of Standards, 1964 *Sleep Disorders* Chris Idzikowski, 2012-03-14 For progress to be maintained in a clinical field like sleep

medicine unimpeded unrestricted access to data and the advances in clinical practice should be available The reason why this book is exciting is that it breaks down the barriers to dissemination of information providing scientists physicians researchers and interested individuals with a valuable insight into the latest diverse developments within the study of sleep disorders This book is a collection of chapters which can be viewed as independent units dealing with different aspects and issues connected to sleep disorders having in common that they reflect leading edge ideas reflections and observations The authors take into account the medical and social aspects of sleep related disorders concentrating on different focus groups from adults to pregnant women adolescents children and professional workers *Cosmic Engineers* Gary

Westfahl, 1996-02-16 The first comprehensive critical study of hard science fiction this book reveals how the term hard science fiction originated and how arguments about its range and nature have unfolded Westfahl shows that hard science fiction is generally characterized by the author's extreme concern for scientific accuracy and logic Identifying two characteristic forms of hard science fiction Westfahl closely examines several representative works Arthur C Clarke's *A Fall of Moondust* Hal Clement's *Mission of Gravity* and Charles Sheffield's *Between the Strokes of Midnight* This book offers new insights into hard science fiction and provides a wealth of information about what members of the science fiction community have said about this relatively recent genre **Miscellaneous Publication - National Bureau of Standards** United

**The Border Watch** Joseph A. Altsheler,2016-06-29 A late sun red and vivid cast beams of light over a dark river flowing slowly The stream was a full half mile from shore to shore and the great weight of water moved on in silent majesty Both banks were lined with heavy forest dark green by day but fused now into solid blackness by the approach of night The scene was wild and primordial To an eye looking down it would have seemed that man had never come there and that this was the dawn of time The deep waters lapped the silent shore until a gentle sighing sound arose a sound that may have gone on unheard for ages Close to the water a file of wild ducks flew like an arrow to the north and in a little cove where the current came in shallow waves a stag bent his head to drink
