Rectify Lara Bazelon, 2019-09-10 A powerful argument for adopting a model of restorative justice as part of the Innocence Movement so exonerees crime victims and their communities can come together to heal In Rectify a former Innocence Project director and journalist Lara Bazelon puts a face to the growing number of men and women exonerated from crimes that kept them behind bars for years sometimes decades and that devastate not only the exonerees but also their families the crime victims who mistakenly identified them as perpetrators the jurors who convicted them and the prosecutors who realized too late that they helped convict an innocent person Bazelon focuses on Thomas Haynesworth a teenager arrested for multiple rapes in Virginia and Janet Burke a rape victim who mistakenly IDed him It

took over two decades before he was exonerated. Conventional wisdom points to an exoneration as a happy ending to tragic tales of injustice such as Haynesworth's. However, even when the physical shackles are left behind, invisible ones can be profoundly more difficult to unlock. In the midst of Bazelon's frustration over the blatant limitations of courts and advocates, her hope is renewed by the fledgling but growing movement to apply the centuries-old practice of restorative justice to wrongful conviction cases. Using the stories of Thomas Haynesworth, Janet Burke, and other crime victims and exonerees, she demonstrates how the transformative experience of connecting isolated individuals around mutual trauma and a shared purpose of repairing harm unite unlikely allies. Movingly written and vigorously researched, *Rectify* takes to task the far-reaching failures of our criminal justice system and offers a window into a future where the power it yields can be used in pursuit of healing and unity rather than punishment and blame.

The Old Deep and Dark Ellen Hart, 2025-09-23 Ellen Hart was named the 2017 MWA Grand Master, the most distinguished lifetime achievement award offered in the mystery community. Renowned theater director Cordelia Thorn is working to restore a historic theater in downtown Minneapolis that she and her actress sister Octavia recently bought. Cordelia has a vision for the playhouse's future, but the more she learns about the building, the more fascinated she becomes by its past. Nicknamed *The Old Deep and Dark* because of the Prohibition-era double murder that occurred in the basement, then a speakeasy, there are a wealth of secrets hidden inside its walls. And to her shock and horror, Cordelia discovers that there is also one present-day body literally buried in a basement wall. Cordelia immediately calls on her best friend, P.I. Jane Lawless. Although Jane is already in the thick of another investigation, she's embroiled in a well-known country western singer's family scandal; she agrees to help Cordelia out on the side. But show biz is a small world, and as Jane starts tracing the trails of two separate investigations, she's surprised to find they might not be as unconnected as she thought. With *The Old Deep and Dark*, the latest installment in the award-winning Jane Lawless series, Ellen Hart has crafted another impeccably plotted, seamlessly written mystery. *The Old Deep and Dark* is the Winner of the Lambda Literary Award for Best Lesbian Mystery.
