Beyond a Shadow of a Doubt John Crawley, 2012-07-10 Had Mason Chase gone to sleep that night he might be dead The fact that he didn't might make him wish he was dead With his family gruesomely murdered around him in their comfortable suburban home he is arrested charged and convicted of a crime he claims he did not commit In fact there is evidence strong evidence to suggest that Mason's claims of innocence are in fact true But a Texas jury decides against him finding him guilty and sentences him to death by lethal injection For close to a decade and a half Mason sits on Texas death row while Rob Gilmore his lawyer and others work to get him set free At times Mason comes within hours of his death Not until Rob is killed in a traffic accident does the lawyer's wife discover Rob's secret a secret that will aid in releasing Mason Chase of incarceration and freeing him from the looming death sentence that crowds him like an angry shadow Rob's wife a lawyer for the county also discovers her own boss culpability in the botched conviction She turns to the aid of a Houston law firm who specialize in cases like Mason's The evidence is presented to a U S Federal Judge who frees Mason and gets him removed from prison and away from the horror of death row Months pass Mason Chase decides to sue the county its DA lead investigator and criminal lab for damages and restitution for his wrongful conviction Carol Gilmore Rob's wife now in private practice leads the case and wins a huge multi million dollar settlement for Mason only to have the U S Supreme Court eventually rule against him Mason is left with nothing Again a victim After a few months three justices who sit on the highest bench in the land disappear They happen to be the three that were the lead advocates that Mason's case was without merit There are no leads There is no evidence There is nothing to go on The FBI is baffled until a freak traffic incident on a lonely Texas highway just north of the Mexican border leads authorities to believe that the killer of the three Supreme Court justices is residing just on the other side of the Rio Grande A former Texas Ranger Lucky Drake is asked to snoop around in the desert of Northern Mexico to see if he can unofficially sniff out anything like clues to the deaths of the three He in fact uncovers the real killer Jimmy McDermit a man who has long been suspected as being the actual killer of the Chase family But Lucky also discovers that Jimmy seems to be taking his directions from a doctor in a small Mexican village As he gets closer to the two who are deep in conversation Lucky discovers his camera lens is focused on not a doctor but Mason Chase We have come full circle

Understanding the Existence of God John S. Weekes,Dr John S Weekes,2010-06 Understanding the Existence of God is the third in the trilogy of Understanding books by Dr John Weekes The first in the series was Understanding the Doctrine of the Trinity 1998 followed by Understanding Forgiveness 2002 With the Existence of God the trilogy is complete and it is the hope that these three books will do much to shed light on the often dark corridors of doubt controversy and misunderstanding with regard to God s Existence The Trinity is one of those areas of theology which has driven deep and lasting division within the heart of the body of Christ It is a field that defies enlightenment save by those in whose heart and over whose understanding the Holy Spirit reigns for the things of the Spirit must be spiritually discerned Forgiveness on the other hand is at the very heart of pure religion since it is that which illuminates Christians as truly the children of God In Understanding the existence of God the author has drawn on many reservoirs and lifted water from many streams but the ultimate authority for his thesis is God s infallible word The method used is in essence adversarial and critical written in a simple everyday matter of fact common sense style In so far as the case for God has been put it is submitted that it has been established with absolute certainty supported not only by words spoken with the very breath of God Himself but by a cloud of impeccable and unimpeachable witnesses
