Beyond Borders Thinking Critically About Global Issues:

Instructor's Resource Guide to Accompany "Beyond Borders, Thinking Critically about Global Issues" Compiled By] Paula S. Rothenberg Paula S. Rothenberg, 2006 **Beyond Borders** Paula S. Rothenberg, 2006 This interdisciplinary collection of 82 articles is designed to bring today's most pressing issues into the classroom and help prepare college students to assume their roles as members of an increasingly global community **Servant-Leadership and Forgiveness** Jiyong Song, Dung Q. Tran, Shann Ray Ferch, Larry C. Spears, 2020-08-01 In a world where leaders and organizations face conflicts and complexity at an alarming rate where human cruelty sometimes dominates kindness in individuals and families and where nations hover in the shadow of moral and financial collapse how do we find courage to forge a strong and enduring path into the future In a fresh and profound approach to the personal organizational and global dynamic discerning leaders consider the role of leadership and forgiveness in the midst of political and social upheaval The epicenter of Servant Leadership and Forgiveness speaks to leadership the heart of the leader and the power of forgiveness It is a compilation of insightful life transformative and significant essays on the nexus of servant leadership and forgiveness in everyday life the organizational world and international contexts The hope of the book is that people of all ages and creeds will engage in a deeper conversation around forgiveness and leadership specifically servant leadership and reach greater personal and collective responsibility for leadership that helps heal the heart of the world through forgiveness The Other People M. Wilkes Karraker, 2013-05-14 This book offers an interdisciplinary and accessible approach to issues of global migration in the twenty first century in 13 essays plus an appendix written by scholars and practitioners in the field *Women's Activism, Feminism, and Social Justice* Margaret A. McLaren, 2019 A wide range of issues besieges women globally including economic exploitation sexist oppression racial ethnic and caste oppression and cultural imperialism This book builds a feminist social justice framework from practices of women's activism in India to understand and work to overcome these injustices The feminist social justice framework provides an alternative to mainstream philosophical frameworks that promote global gender justice for example universal human rights economic projects such as microfinance and cosmopolitanism McLaren demonstrates that these frameworks are bound by a commitment to individualism and an abstract sense of universalism that belies their root neo liberalism Arguing that these frameworks emphasize individualism over interdependence similarity over diversity and individual success over collective capacity McLaren draws on the work of Rabindranath Tagore to develop the concept of relational cosmopolitanism Relational cosmopolitanism prioritizes our connections while crucially acknowledging the reality of power differences Extending Iris Young's theory of political responsibility McLaren shows how Fair Trade connects to the economic solidarity movement The Self Employed Women's Association and MarketPlace India empower women through access to livelihoods as well as fostering leadership capabilities that allow them to challenge structural injustice through political and social activism Their struggles to resist economic exploitation and gender oppression through collective action

show the vital importance of challenging individualist approaches to achieving gender justice The book is a rallying call for a shift in our thinking and practice towards re imagining the possibilities for justice from a relational framework from independence to interdependence from identity to intersectionality and from interest to socio political imagination Our Social World Jeanne H. Ballantine, Keith A. Roberts, 2011-10-26 In this brief text two leaders of the Teaching Sociology movement encourage students development of their sociological imaginations through role taking Assuming the role of a child living in poverty in India or of a member of an African tribe students learn to re envision their global society An innovative integrated framework provides core sociological concepts while features such as Contributing to Our Social World enable students to do public sociology Our Social World Condensed Version presents the perspective of students living in the larger global world **Social Justice and Social Work: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com) The Routledge Critical Companion to Leadership Studies David Knights, Helena Liu, Owain Smolović-Jones, Suze Wilson, 2024-05-24 The Routledge Critical Companion to Leadership Studies offers a rich and insightful overview of critical leadership studies for students teachers researchers and practitioners The volume draws together 35 chapters from 56 authors who represent the vibrant diversity of the critical leadership community It includes chapters from emerging and preeminent scholars who share an interest in directing leadership theorizing development and practice toward the aims of liberation justice and equity The Companion is organized into six themes 1 philosophical perspectives on leadership 2 processes practices and power dynamics in leadership 3 diversity and leadership 4 leadership education and development 5 lessons from the dark side of leadership and 6 reimagining leadership and leadership studies The book has been curated to serve as a go to resource for undergraduate and postgraduate students academic staff and researchers seeking to understand the current state of play on

International Statebuilding in West Africa Abu Bakarr Bah, Nikolas Emmanuel, 2024-08-06 At the turn of the twenty first century manipulation of the democratic process coupled with preexisting political and economic grievances led to years long civil wars in Sierra Leone Liberia and C te d Ivoire During and after these conflicts international peacekeeping efforts and humanitarian intervention became the dominant paths for restoring stability by rebuilding the state Using these three countries as case studies this manuscript sheds light on internationally driven state building in war torn West African nations the problematic nature of the postcolonial state and the difficulties of securing its people s wellbeing Connecting peace and conflict democracy and international development studies Bah and Emmanuel argue that there is a clear nexus between the concepts and practices of peace building and statebuilding that peace building and statebuilding are not domestic matters alone but also matters of global intervention and that civil wars can be viewed as opportunities for state building through creative postwar partnerships and organization This study goes beyond the familiar concepts of failed states R2P peacekeeping and peace mediation and introduces and enhances the concepts of state decay new humanitarianism people centered liberalism and institutional design In doing so it provides critical lessons that local and international actors can draw on as they try to figure out practical solutions to the political economic and social problems that impede the development of peaceful and democratic multiethnic postcolonial states in Africa and beyond Applying comparative historical methods and theory to archival materials and expert interviews *International Statebuilding in West Africa* seeks to shift the discourse on civil wars from their causes and implications to the opportunities they provide to rework failed states and to shift the discourse on African states from their colonial and neocolonial legacies to their shared moral and security interests with the rest of the world

Our Social World Dr Jeanne H Ballantine, Keith A. Roberts, 2011-04-25 The Third Edition of *Our Social World Introduction to Sociology* is truly a coherent textbook that inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis Key Features Offers a strong global focus A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world Illustrates the practical side of sociology Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence Encourages critical thinking Provides various research strategies and illustrates concrete examples of

the method being used to help students develop a more sophisticated epistemology Presents The Social World Model in each chapter This visually compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts New to the Third Edition Thirty new boxed features including the innovative Engaging Sociology and Applied Sociologists at Work features Three substantially reorganised chapters 2 Examining the Social World 3 Society and Culture and 13 Politics and Economics 315 entirely new references and 120 new photos **The Global Idea of 'the Commons'** Donald Macon Nonini, 2007 During the last three decades corporations allied with scientists and universities national and regional governments and international financial institutions have through a variety of mechanisms associated with neo liberal globalization acted to dispossess large proportions of the world's population of their commons resources and enclose them for profit making In response throughout the global South and in the cities of the global North large numbers of people have formed movements to defend the commons in all their variety The idea of the commons has thus emerged as a global idea and commons have emerged as sites of conflict around the world The essays in this forum assess strategically the situations of selected commons in a variety of diagnostic sites where they exist the ways in which they are being transformed by the incursions of capital and state and the ways in which they are becoming the locus of struggle for those who depend on them to survive Encyclopedia of Transnational Crime and Justice Margaret E. Beare, 2012-04-26 Accessible and jargon free and available in both print and electronic formats the one volume Encyclopedia of Transnational Crime and Justice contains a range of up to date entries that not only reflect transnational crime but transnational justice Breaching the Colonial Contract Arlo Kempf, 2009-05-30 Almost a decade in Empire remains the 21st Century's dominant mode of cultural production and North America remains at the apex of the colonial imperative The contributors to this volume argue that far from being a post colonial world the struggle for independence of polity and culture is still alive and relevant The book brings together relevant examples of anti colonial discourse and struggle from across the US and Canada providing unique perspectives on resistance activism scholarship and pedagogy Anti colonialism is an evolving framework to which this book hopes to make a unique contribution with the range depth and analytical approach of the chapters it contains The emphasis on anti colonial resistance here is significant as it consistently reveals the personal commitment required for the undoing of domination as well as the ways in which people can collectively pursue radical politics in their aim of bringing about social justice The book examines a multitude of actions which could be termed anti colonial from student walkouts along the US Mexico border to interrogations of the relationship between indigenous and anti racist struggles in North America to analyses of the implications of anti colonialism for community unionism as well as disability rights struggles Chapters also look at the movement for Africentric schools in Toronto provide an annotated and comparative look at the myriad struggles for and by the Fourth World and Fourth World nations and analyze the creation of an anti colonial classroom in a Montreal university They also explore the colonial underpinnings of multicultural education in the US With contributions from leading

thinkers such as Henry Giroux, Ward Churchill and Peter McLaren as well as fresh perspectives from junior academics this book provides a diverse and varied survey of anti colonialism in the US and Canada. It will be a thought provoking read for those working in a wide variety of disciplines from Sociology to Politics. In daring and incisive ways Arlo Kempf's collection further positions anti colonialism as the necessary educational project for the colonizer and colonized within us all. It reflectively re sets the radical education agenda with telling historical and current instances that are used by the book's authors to move constructively forward in critical ways. Global Perspectives on China's Belt and Road Initiative Florian Schneider, 2025-10-01 The year 2013 saw the launch of the largest most influential investment initiative in recent memory: China's Belt and Road Initiative (BRI). This globe spanning strategy has reshaped local economies and regional networks and it has become a contested subject for scholars and practitioners alike. How should we make sense of the complex interactions that the BRI has enabled? Understanding these processes requires truly global perspectives alongside careful attention to the role that local actors play in giving shape to individual BRI projects. The contributions in *Global Perspectives on China's Belt and Road Initiative* assert agency through regional connectivity, provide both big picture assessments of China's role in regional and global interactions and detailed case studies that home in on the role agency plays in BRI dynamics. Written by leading area studies scholars with diverse disciplinary expertise, this book reveals how Chinese efforts to recalibrate the world are taken up, challenged, revamped and reworked in diverse contexts around the world.

Cross-Fertilizing Roots and Routes Ananta Kumar Giri, 2021-01-23 The book discusses how we can cross fertilize relationship between roots and routes with and beyond the logic of closure, monological assertions and violence. The book draws upon multiple philosophical, historical, religious and spiritual traditions of the world to rethink our conceptions and productions of identity as well as our conventional understanding of roots and routes. The book particularly explores the vision and practice of creativity, socio cultural regeneration and planetary realizations to cultivate new pathways of identity realization and new relationship between identities and differences in our fragile world today. Trans disciplinary in engagement and trans civilizational in its dialogical pathway, the book is a unique contribution to our contemporary scholarship about ethnicity, identity, social creativity, cultural regeneration and planetary realizations.
