Beyond Caste Brills Indological Library:

Beyond Caste Sumit Guha, 2013-09-12 Caste is today almost universally perceived as an ancient and unchanging Hindu institution preserved solely by a deep seated religious ideology Yet the word itself is an importation from sixteenth century Europe This book tracks the long history of the practices amalgamated under this label and shows their connection to changing patterns of social and political power down to the present It frames caste as an inviolated and complex form of ethnicity and explains why it persisted under non Hindu rulers and in non Hindu communities across South Asia

Inequality in Capitalist Societies Surinder S. Jodhka, Boike Rehbein, Jessé Souza, 2017-07-14 Inequality is one of the most discussed topics of our times Yet we still do not know how to tackle the issue effectively The book argues that this is due to the lack of understanding the structures responsible for the persistence of social inequality It enquires into the mechanisms that produce and reproduce invisible dividing lines in society Based on original case studies of Brazil Germany India and Laos comprising thousands of interviews the authors argue that invisible classes emerge in capitalist societies both reproducing and transforming precapitalist hierarchies At the same time locally particular forms of inequality persist Social inequality in the contemporary world has to be understood as a specific combination of precapitalist inequalities capitalist transformation and a particular class structure which seems to emerge in all capitalist societies The book links the configurations to an interpretation of global domination as well as to symbolic classification

Buddhism in the Shadow of Brahmanism Johannes Bronkhorst, 2011-02-14 This book deals with the confrontation of Buddhism and Brahmanism in India Both depended on support from the royal court but Buddhism had less to offer in return than Brahmanism Buddhism developed in a manner to make up for this

The Routledge Companion to the Philosophy of Race Paul Taylor, Linda Alcoff, Luvell Anderson, 2017-11-28 For many decades race and racism have been common areas of study in departments of sociology history political science English and anthropology Much more recently as the historical concept of race and racial categories have faced significant scientific and political challenges philosophers have become more interested in these areas This changing understanding of the ontology of race has invited inquiry from researchers in moral philosophy metaphysics epistemology philosophy of science philosophy of language and aesthetics The Routledge Companion to Philosophy of Race offers in one comprehensive volume newly written articles on race from the world s leading analytic and continental philosophers It is however accessible to a readership beyond philosophy as well providing a cohesive reference for a wide student and academic readership The Companion synthesizes current philosophical understandings of race providing 37 chapters on the history of philosophy and race as well as how race might be investigated in the usual frameworks of contemporary philosophy The volume concludes with a section on philosophical approaches to some topics with broad interest outside of philosophy like colonialism affirmative action eugenics immigration race and disability and post racialism By clearly explaining and carefully organizing the leading current philosophical thinking on race this timely collection will

help define the subject and bring renewed understanding of race to students and researchers in the humanities social science and sciences

Hinduism Shyam Ranganathan,2018-07-06 Hinduism A Contemporary Philosophical Investigation explores Hinduism and the distinction between the secular and religious on a global scale According to Ranganathan a careful philosophical study of Hinduism reveals it as the microcosm of philosophical disagreements with Indian resources across a variety of topics including ethics logic the philosophy of thought epistemology moral standing metaphysics and politics This analysis offers an original and fresh diagnosis of studying Hinduism colonialism and a global rise of hyper nationalism as well as the frequent acrimony between scholars and practitioners of Hindu traditions This text is appropriate for use in undergraduate and graduate courses on Hinduism and Indian philosophy and can be used as an advanced introduction to the problems of philosophy with South Asian resources

Painting Stories Helle Bundgaard,2021-12-02 Painting Stories explores the accomplishments struggles and livelihoods of traditional artisans in Raghurajpur a village known for its patta chitra painters In this collection Helle Bundgaard weaves thirty years of observations and experiences into a tapestry of stories which together present a poignant image of the lives of Indian craft makers and their personal connections to the art that they create The painters stories are situated in a rich cultural environment and steeped in social relations For them painting is more than a livelihood or an aesthetic expression it is a way of life Painting Stories is a window into a part of our world rarely seen reminding us of both our rich diversity and our shared humanity Written with the painters students and laypersons in mind the book includes a discussion of ethnographic storytelling and resources for ethnographic writing as well as color photographs that bring the stories to life

Autonomy Paula Banerjee,Samir Kumar Das,2008 A critical attempt to understand autonomy from both historical and analytical perspectives

Indian Political Thought: Themes and Thinkers Mahendra Prasad Singh,Roy Himanshu,2011 Indian Political Thought Themes and Thinkers covers all major Indian political thinkers from the ancient through medieval to the modern times Thus this book provides an overview of the evolution of the Indian political thought through different historical periods giving an insight into the sociological and political conditions of the times that shaped the Indian political thinking It does not only talk about the lives and times of the thinkers but also explores the important themes that formed the basis of their political ideologies The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state civil rights ideal polity governance nationalism democracy social issues like gender and caste swaraj satyagraha liberalism constitutionalism Marxism socialism and Gandhism With a comprehensive coverage of both the thinkers and the themes of the Indian political thought this book caters to needs of the undergraduate as well as the post graduate courses of all Indian universities It is valuable also for UGC NET and civil service examinations

The Mahabharata Patriline Simon Pearse Brodbeck,2017-03-02 The Sanskrit Mahabharata which contains the Bhagavad Gita is sorely neglected as a classic perhaps the classic of world literature and is of particularly timely human importance in today s

globalised and war torn world This book is a chronological survey of the Sanskrit Mahabharata's central royal patriline a family tree that is also a list of kings Brodbeck explores the importance and implications of patrilineal maintenance within the royal culture depicted by the text and shows how patrilineal memory comes up against the fact that in every generation a wife must be involved with the consequent danger that the children might not sustain the memorial tradition of their paternal family The Mahabharata Patriline bridges a gap in text critical methodology between the traditional philological approach and more recent trends in gender and literary theory Studying the Mahabharata as an integral literary unit and as a story stretched over dozens of generations this book casts particular light on the events of the more recent generations and suggests that the text's internal narrators are members of the family whose story they tell *Relativism, Suffering, and Beyond* Jitendra Nath Mohanty, Purusottama Bilimoria, 1997 The essays in this collection were written by an international body of scholars in memory of Professor Bimal K Matilal They discuss Vedanta Nyaya and Buddhism thematically they deal with problems of relativism evil suffering emotions and value judgement **Guide to Reprints 2002** Irene Izod, 2001-10

Index to Book Reviews in Religion, 1988 **The Kingdom Beyond Caste** Liston Pope, 2012-05-01 **The Kingdom Beyond Caste (Classic Reprint)** Liston Pope, 2015-08-05 Excerpt from The Kingdom Beyond Caste Any serious discussion of the explosive question of race is likely to reveal sooner or later the personal credentials of those engaged in it These credentials will have to do not only with range of experience but also with fundamental perspectives on the nature of man and society and with the faith or lack of it by which one lives However rigorously one may seek to be objective personal attitudes and convictions color the discussion profoundly This book is written out of a welter of experiences involving race relations They go back to earliest memories About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Understanding Caste** Gail Omvedt, 2012 Understanding Caste approaches the historical issue of caste and anti caste movements from a position of insightful inquiry and rigorous scholarship Critiquing the sensibility which equates Indian tradition with Hinduism and Hinduism with Brahmanism which considers the Vedas as the foundational texts of Indian culture and discovers within the Aryan heritage the essence of Indian civilisation it shows how even secular minds remain imprisoned within the Brahmanical vision And so it looks at the alternative traditions nurtured within dalit movements which have questioned this way of looking at Indian society and history Synopsis on back cover **Caste in Contemporary India: Beyond Organic Solidarity** Pauline Kolenda, 1997 **Beyond Religion in India and Pakistan** Navtej K. Purewal, 2019 Drawing on insights from theoretical

engagements with materiality and subalternity **Materiality Practice and Performance at Sacred Sites in India and Pakistan** opens new frames for understanding religion in South Asia The book takes seriously the realm of material expression in popular religion as a very real and important indication of wider developments in political social and religious identity and practice As a result the authors challenge the definition of religion more broadly By exploring selected sites of piety including shrines and their associated ephemeral paraphernalia such as amulets posters and clay objects the authors argue that popular religion of Punjab should neither be limited to a polarized picture between formal institutional religion nor the enchanted universe of rituals saints shrines and village deities Instead the book presents a picture of religion as a realm of movement mobilization and multiplicity Through extensive ethnographic research the authors explore the reality of the complex fluid and dynamic relations that characterize the everyday material and religious lives on the ground Ultimately popular religion challenges the borders and boundaries of religious and communal categories nationalism and theological frameworks

In the digital age, access to information has become easier than ever before. The ability to download Beyond Caste Brills Indological Library has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Beyond Caste Brills Indological Library has opened up a world of possibilities. Downloading Beyond Caste Brills Indological Library provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Beyond Caste Brills Indological Library has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Beyond Caste Brills Indological Library. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Beyond Caste Brills Indological Library. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Beyond Caste Brills Indological Library, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Beyond Caste Brills Indological Library has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
