Beyond The Doors Of Death:

Beyond Death's Door Gerald Wheeler, 2009 People have been trying to comprehend death for millennia nearly every culture known to humanity has put forth some theory of what happens to a person after life But who knows what really happens Not one of us alive today has experience death firsthand Although the Bible has much to say on the subject of death there are several conflicting views of the afterlife Which one is actually biblical And which view does science support *Beyond Death's Door* examines the Bible and science for the truth about the afterlife and discovers that one of the first lies told humanity has been taught as gospel truth for thousands of years **Death's Door** Douglas Lebeck, 2009-08 **Closing**
