Beyond These Walls Innovators In Ministry:

Factors Behind the Ukrainian Evangelical Missionary Surge from 1989 to 1999 John Edward White, 2020-03-16 Throughout its history the Soviet Union was one of the most closed places in the world to missionary work As perestroika came in the late 1980s and the Soviet Union fell in 1991 a spiritual vacuum formed as massive numbers of people became interested in Christianity An unprecedented freedom allowed evangelicals to engage in missionary work Much has been written about foreign evangelical missionary work during this period but virtually nothing has been written about nationals doing ministry This book examines the remarkable surge in Ukrainian evangelical missionary work from 1989 to 1999 Both Baptists and Pentecostals engaged in a wave of missions flowing from Ukraine to the end of the earth Siberia What were these pioneering missionaries like What motivated them What enabled them to do what had been forbidden for so long What legacy did they leave for us today What can we learn from their example for future missions This book also looks at how a surge in missions takes place analyzing the factors behind the Ukrainian evangelical missionary surge by looking at different models for change Here we consider what steps can we take to help bring about new missionary surges Planning Thomas C Wrenn, 2013-05-09 For leaders of small organizations churches and businesses who do not have a regular ongoing planning process this book will be your guide to becoming an innovative planner for your group s future Innovative Planning presents a solid process for developing complete organizational planning from vision to mission to strategies It also includes the day to day operations the level at which the vision ultimately comes to fruition Experienced pastor and certified leadership coach and consultant Bud Wrenn draws on his organizational experiences to help leaders become four dimensional planners Not everyone in your group church or organization think in visionary terms But as an organizational leader it is crucial for you to communicate the visionary message Foreword by Rick Warren Youth Beyond the Developmental Lens Wesley W. Ellis, 2024-01-23 What happens when we stop thinking of young people as projects and recognize them for who they are here and now Wesley Ellis exposes the insidious impact of developmental psychology upon youth ministry and practice arguing instead for a theological anthropology of youth that can help us see all people including adolescents as uniquely created in the image of God Propelled by the conviction that ministry requires us to see youth as beings rather than becomings Ellis demonstrates how we can reorient our vision toward ministry that prioritizes relationship and inclusion over rigid developmental frameworks A veteran youth minister across multiple denominations Ellis knows his subject deeply as both practitioner and theologian Youth beyond the Developmental Lens mines personal accounts the biblical narrative and a vast array of theological expertise to release readers from restrictive assumptions that have long bound youth ministry Ellis s finely tuned pastoral sensibilities bring all these elements into focus helping us understand ministry as relational and all humans as part of God's story Rostered ministers lay leaders and others engaged with youth will find an antidote to anxiety about the future of the church Ellis reminds us that God is here already Our call is simply to be

Clay Jackson MD DipTh, 2025-02-13 What if we re missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts Pedagogy and **Partnerships in Innovative Learning Environments** Noeline Wright, Elaine Khoo, 2021-10-11 This book examines contexts and possibilities in Aotearoa New Zealand education contexts arising from the international trend for open flexible innovative learning environments ILE specifically on the pedagogical load The book responds to questions such as What does it mean to

The book offers insights into a variety of educational contexts where teachers and students learn and adapt to new learning spaces and also how different teaching and learning partnerships may be conceived and flourish It focuses attention on a range of aspects that teachers school leaders and other educators and researchers may find valuable when they embark on similar initiatives to consider issues pivotal to productive and effective innovative learning environment design development and implementation **Love the Church, I Hate the Church** Robert R.
