

## *Whispers From Beyond The Grave*

*In the silence of the night  
Amidst the graves, there's a fright  
A whisper, soft and out of sight  
That fills the air with chilling might*

*It comes from places far away  
Beyond the veil, where spirits play  
A haunting voice that seems to say  
"I'll be with you, come what may"*

*The whispers from beyond the grave  
Are echoes of a life that's saved  
A message from the great beyond  
A love that's never quite gone*

*They speak of things we cannot see  
Of life and love and destiny  
Of things we wish could always be  
And things we'll never quite believe*

*And yet, the whispers carry on  
A message from the great beyond  
A love that never can be gone  
A hope that always will respond*

*So let the whispers fill your heart  
And guide you through the darkened part  
For though they seem so far apart  
They'll always be with you, from the start.*

*Oghenero Peter*
