sameness Because we learn to want what other people want we often end up competing for the same things Ignoring our large similarities we cling to our perceived differences Drawing on his experience as an entrepreneur teacher and student of classical philosophy and theology Burgis shares tactics that help turn blind wanting into intentional wanting not by trying to rid ourselves of desire but by desiring differently It s possible to be more in control of the things we want to achieve more independence from trends and bubbles and to find more meaning in our work and lives The future will be shaped by our desires Wanting shows us how to desire a better one Car and Driver ,2007 **Country Market Survey** ,1983
