Operating Instructions Owners Manual:

The Baby Owner's Manual Louis Borgenicht, Joe Borgenicht, 2003 As every parent knows infant technology isn't quite user friendly and first timers have plenty of frequently asked questions How does one get the baby to sleep through the night What is the recommended way to swaddle a baby When is it necessary to bring a baby to a physician for servicing The Baby Owner's Manual has the answers With step by step instructions helpful schematic diagrams trouble shooting tips and advice on lifelong maintenance this manual skips the warm and fuzzy illustrations and cuts right to the dirty diapers **Field**
