1000 Amazon REVIEWER on December 10 2013 GOOD TOOL FOR EXPOSITORS The Bible is a book written over a span of
1500 years by almost 40 writers who hailed from different cultures and language groups Thus the 66 books of the Bible need
to be analyzed in their own culture language and context if one has to understand the message clearly This is easier said than
done Many methods have come up to understand the message of the Bible objectively and each method contributes
something or other to the cumulative task of clarifying the message The Sentence block diagram method is one of these
approaches which yields fascinating insights into what was said More so because this type of analysis clearly shows sentence
connections in our language which connection might not be obvious immediately The only weakness of the book is that while
it shows the result of analysis it does not contain any interpretation of the text Thus this book will be useful only for those
who wish to get the analyzed text but not for those who are looking for a Bible Exposition I want to thank Dr Johnson Philip
for this honest review From the reviewer point of view he had pointed out exactly the sole objective of this Guided Bible
Reading Series The whole objective is to free the reader from reading any interpretations into the text and let the text speak
for itself You need to see the structure outline clearly so that you do not read your own ideas into the text In this sense as Dr
Johnson Philip points out there are no interpretations and expositions of the passages However as Dr Johnson Philip points
out it is an excellent TOOL for expositors all the same NOTE This edition has a linked Table of Contents and has been
beautifully formatted for easy navigation This is a Bible study method called Block Sentence Diagramming I learned this
sentence diagramming approach to study the Bible in the seminary and in the last 25 years I have been using this to prepare
all my sermons and Bible studies This series of Bible Books can be used for 1 Personal Devotions 2 Bible study Preparations 3
Sermons 4 Sunday School 5 Personal Growth and spiritual enrichment You will see the Entire Book in Sentence Block

whole book in block sentence diagram so that you can absorb the major themes using this visual method 1 Once you know
the focus of each section you can easily compile your own Bible Study notes 2 You don't need to depend on Bible study
outlines done by others You would know the right questions to ask and discover the answers yourself through meditative
