Blood On The Streets 1916 The Battle For Mount Street Bridge:

Blood on the Streets Paul O'Brien, 2008 *Blood on the Streets* explores the people the places and the context of the real events of the battle for Mount Street Bridge Based around the bridge over the canal at Mount Street three well positioned groups of volunteers led by Lieutenant Michael Malone held out against a far greater number of British soldiers arriving from Kingstown In scenes that were reminiscent of the terrible warfare of the Western Front in World War I British soldiers advanced under heavy fire against rebel positions This book contextualises the battle and the events surrounding the Rising itself and features the only account written by a British army officer of the executions at Kilmainham jail in the aftermath of the Rising It also features a fascinating analysis of the tactics and strategy not just of the battle but of the whole Rising

Uncommon Valour Paul O'Brien, 2010 A look at the Irish Volunteers who fought in the South Dublin Union building during the 1916 Easter Rising *The Story Of The Easter Rising, 1916* , **Ireland's 1916 Rising** Mark McCarthy, 2016-05-06 In light of its upcoming centenary in 2016 the time seems ripe to ask why how and in what ways has memory of Ireland's 1916 Rising persisted over the decades In pursuing answers to these questions which are not only of historical concern but of contemporary political and cultural importance this book breaks new ground by offering a wide ranging exploration of the making and remembrance of the story of 1916 in modern times It draws together the interlocking dimensions of history making commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution both instantaneous and long term In addition to furnishing a history of the tumultuous events of Easter 1916 which rattled the British Empire's foundations and enthused independence movements elsewhere Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present In doing so it unearths the far reaching political impacts and deep seated cultural legacies of the actions taken by the rebels as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory This volume also presents a wider perspective on the ways in which conceptualisations of heritage culture and identity in Westernised societies are shaped by continuities and changes in politics society and economy In a topical conclusion the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011 and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance **Pledged as a Rebel**

Matthew Hoff, 2022-09-15 A history and analysis of the rising that covers the principal players the strategy and execution of the plan This new history shows the Uprising from initiation to its aftermath The uprising came during the tough times of World War I and was viewed by some as heroic and by others as treachery *Diarmuid Lynch* Eileen McGough, 2013-05-20 On Saturday night 22 April 1916 a tense meeting in Dublin went on into the small hours to decide whether or not the Easter Rising would go ahead Present at that meeting were Pdraig Pearse Tomás MacDonagh Joseph Plunkett and Seán MacDiarmada The fifth man present at the all night session Diarmuid Lynch was the only one still alive a month later It is

difficult to understand how Lynch a member of the Supreme Council of the IRB has been forgotten so completely Lynch was at the heart of plans for the Rising and was aide de camp to James Connolly in the GPO Initially sentenced to death his sentence was commuted to ten years penal servitude because he was an American citizen However he was released on 16 June 1917 Immediately following his release Lynch became active again and along with Michael Collins and Thomas Ashe participated in the reorganisation of the IRB After the 1917 Sinn F in Ard Fheis Lynch like Collins held three senior posts in the IRB Sinn F in and in the Irish Volunteers He was again arrested and deported to America in 1918 Lynch was elected although still in the US as a TD for the constituency of Cork South East in the 1918 elections In America he was working frenetically as the national secretary of the FOIF Friends of Irish Freedom organisation but later sharp differences arose between De Valera and the FOIF about how funds raised in America should be spent Lynch did not take part in the Civil War but made several unsuccessful attempts to stop it *When the Clock Struck in 1916* Derek Molyneux, Darren

Kelly, 2015-03-20 Well I've helped to wind up the clock I might as well hear it strike Michael Joseph O'Rahilly The Easter Rising of 1916 was a seminal moment in Ireland's turbulent history For the combatants it was a no holds barred clash the professional army of an empire against a highly motivated well drilled force of volunteers What did the men and women who fought on the streets of Dublin endure during those brutal days after the clock struck on 24 April 1916 For them the conflict was a mix of bloody fighting and energy sapping waiting with meagre supplies of food and water little chance to rest and the terror of imminent attacks The experiences recounted here include those of 20 year old Sean McLoughlin who went from Volunteer to Captain to Commandant General in five days his cool head under fire saved many of his comrades Volunteer Robert Holland a sharpshooter who continued to fire despite punishing rifle recoil Volunteer Thomas Young's mother who acted as a scout leading a section through enemy infested streets the 27th Sherwood Foresters NCO who died when the grenade he threw at Clanwilliam House bounced off the wall and exploded next to his head 2nd Lieutenant Guy Vickery Pinfield of the 8th Royal Hussars who led the charge on the main gate of Dublin Castle and became the first British officer to die in the Rising This account of the major engagements of Easter Week 1916 takes us onto the shelled and bullet ridden streets of Dublin with the foot soldiers on both sides of the conflict into the collapsing buildings and through the gunsmoke

A City in Wartime - Dublin 1914-1918 Pádraig Yeates, 2011-09-09 This fascinating history looks at how the lives of ordinary Dubliners were affected by these three major events Why did so many working class Dublin men join the British Army How did the city's 92 000 Protestants fare in this turbulent time Dubliners fought on both sides in the Easter Rising What were their motivations How did Sinn F in and the Catholic Church marginalise Labour in the battle for political control of the city after the Rising Why did so many Dubliners benefit from the British war effort especially tenement families and working women Pádraig Yeates discusses each of these in detail and also looks at how the population fed itself during hard times the impact of the war on music halls child cruelty prostitution public health and much more The Dublin as we know it

was shaped in these years And this captivating book takes you back to those times to shine a new light on the city today
