Forgotten Bodyguard Nicole York,2023-09-20 One rule don t touch the assets Tell that to the saucy young woman I m guarding She s in my face crazy one minute and begging me for attention the next Her father s status and popularity in his run for President of the United States has him worried about his only little girl And that girl isn t too thrilled with having a shadow especially one she s not supposed to touch either But my background and the crappy start in life I got helps me more than most in watching out for the bad guys I used to be one Things heat up fast when we re pushed into a maze of confusion Things aren t at all what they seem and I m not even sure the Senator s little girl is in fact his Time to back off and catch my breath because unfortunately I m falling for this one and she s way out of my league It s only when her life is in danger that I realize backing off isn t an option She s mine and her pretty little body is mine to protect no matter what There s just one rule Don t touch the asset Hard to obey when she wants these hands all over her
