Bonus material **The Vampire Goes to College** Lisa A. Nevárez, 2013-12-23 This collection of original essays presents pedagogical tools, methods, and approaches for incorporating the figure of the vampire into the learning environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom. The essays foster interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies. Opening with a foreword by Sam George, the collection is organized around such topics as historicizing the vampire, teaching the diverse vampire, and engaging the student learner. Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts, texts defined broadly so as to include film and other media. The vampire allows instructors to explore timeless themes such as life and death, love and passion, immortality and monstrosity, and Otherness.

Edge of the Law (Book 3) Evelyn Glass, This is book 3 and the finale of the Dirty Riders MC romance series. There's no one to save her from me. An accident brought her into my life. And now a killer is trying to take her away. But I've had a taste and made a decision. This girl is staying in my bed for good. Parker Turning her life into a war zone wasn't part of the plan. And she seemed like she could handle herself. But from the first hot taste, I was hooked. And keeping my hands to myself was no longer an option. That first kiss set us both on fire. It gave life to the molten core of my lust. And there's no stopping it now. But someone is trying to run us down. He wants us dead and gone. But if he thinks I'm letting him take her away from me, he'd better think again. Because the girl is mine. And nothing—not death, not war, not a bloodthirsty rival with a death wish—will take her from me. Jillian Falling for him might have been a fatal mistake. But I couldn't help myself. No matter how hard my rational brain screamed at me to stay far away from Parker and the Dirty Riders MC. My body just wouldn't let me run. How could I? His kiss brings me life. But his enemies might bring us death. The man on our trail is determined to kill us or die trying. He's a broken monster shattered by a tragic past. But he doesn't want our pity. He wants our blood. And I'm powerless to stop him. The only thing I can do is hold onto the biker who swept me off my feet. And pray that he'll do the right thing in the end.

Playing By The Book S. Chris Shirley,2015-09-22 In *Playing by the Book* S Chris Shirley tells a story I loved curling up with featuring one of the most endearing teen protagonists I've read in years Alex Sanchez author of *The God Box* and *Boyfriends with Girlfriends* When seventeen year old high school newspaper editor Jake Powell fresh from Alabama lands in New York City to attend Columbia University's prestigious summer journalism program it's a dream come true But his father a fundamentalist Christian minister smells trouble And his father is rarely wrong In *Playing by the Book* Jake navigates new and unfamiliar ways up North Starting with his feelings for a handsome Jewish classmate named Sam What Jake could keep hidden back home is now pushed to the surface in the Big Apple Standing by his side are a gorgeous brunette with a Park Avenue attitude and the designer bags to match a high school friend who has watched Jake grow up and isn't sure she's ready to let him go and an outrageously flamboyant aunt who's determined to help Jake find the courage to accept love and avoid the pain that she has experienced Provocative and moving *Playing by The Book* is a feel

good novel about the struggles and triumphs we encounter in the search for our own truth There s so much to admire in Chris Shirley s debut novel but the most remarkable thing may be its voice Jake is both earnest and skeptical curious and guarded and he tells his story with an endearing humility that somehow avoids the sarcasm that has become the norm Playing by the Book reminds us of how rewarding it can be to climb into someone else s head Patrick Ryan author of Send Me and Saints of Augustine
