**The Fire-Tried Golden Heartbeats of Golden Agers at the Sunset of Life** Rev. Benjamin A. Vima,2019-03-01 In the Bible God s heroes pour out so many of their beliefs about God s greatness and their failures and successes in abiding by God s premonitions and promises At the brink of death they cry out for the strong and saving presence of God at the same instance their hearts rise up with grateful beats for God s positive promises for them Reverend Vima acknowledges himself as one already entering the threshold of golden age hearing the same heartbeats from his inner spirit as well as from so many of his peers This book contains a hundred such fire tried golden heartbeats The contents of this book have been gathered by the author for more than ten years and intensively worked on it in his retirement life They are framed as small articles under many titles In his foreword Reverend Vima underlines this book is a gift of love from him to his readers young and old I offer it to the young ones so that either they can fight against them or bite them or munch them or even digest them for getting stronger in their holdings of Christian faith I present it to the golden agers so that these heartbeats of mine may join with their own making their inner holdings wrapped around and getting stronger or dance according to the beats as a sort of spiritual exercise in their lone world stage
