*A Comprehensive Couple's Guide to Oral Sex* C. W. Pollard, 2011-12-03 Oral sex is one of my favorite intimate activities There is a certain magic that exists between two partners engaged in oral sex fellatio or cunnilingus that just does not exist anywhere else in the sexual pantheon Honestly many times in my life I have felt that oral sex is even more intimate than actual sexual intercourse I love to go down on my committed partners however oral sex is something I would never consider with casual partners or one night stands The magic is just missing I'm sure many of my readers would agree Many of my friends have been to prostitutes and not one of them has gone down on them Hopefully these empirical facts will help to put things in perspective Oral sex is an act that truly reaches its

zenith between two loving partners However through my own research I know that this act is too often ignored to the unsatisfaction of one or both partners in the couple I hear one of two complaints frequently The first is that oral sex is not even present in a relationship One or both of the partners simply won't do it The other is that oral sex when it happens is bad short and misguided There are two distinct problems here The first of these is a technical problem Learning how to have intercourse is pretty basic In fact the lay it out for you in school Oral sex on the other hand is not so straightforward This requires skills that they don't teach you in health class You have to pick it up as you go along and all too often people just don't get the instruction that they need to truly blossom at the art Dealing with this very surmountable problem is the first aim of this book The two chapters originally published as separate books will take both of the lovers through a very technical easy to understand and follow class on both fellatio and cunnilingus Once you have read through these pages and given the techniques described a try I am sure you will quickly become proficient at pleasing each other The other problem that this book is designed to address is the communication gap that so often exists between partners where oral sex is concerned The main source of this absence of talk seems to come from a fear that a person is no good at oral sex and is afraid of criticism Well working thorough these chapters together and reading the material together will quickly help to get you talking on the subject Neither one of you should be afraid to point out something that you think that you would like to have done to you or that you would like to try with your partner Conversely hopefully as you read these pages you will encounter information that will make you ask questions and nourish a dialog One way or the other I am confident that the two of you will soon be building bridges to oral sex and not walls

Oral Sex That'll Blow Her Mind Shanna Katz, 2012-07-10 BECOME AN ORAL SEX AFICIONADO You can't be a superstar sex partner until you've mastered the subtle art of cunnilingus For starters you need to get your timing down learn what licks feel good and how to be sure your partner is truly enjoying your efforts Luckily Oral Sex That'll Blow Her Mind teaches all this and a whole lot more Whether you're just getting started or are practically an oral expert this book has just what you need It's packed with tips and techniques to improve those tingling tongue moves and features tastefully erotic photos of positions perfect for oral pleasuring Oral Sex That'll Blow Her Mind is far more than a set of skills It explains how cunnilingus helps you feel connected with your partner whether you are the giver or the receiver and how to enrich that experience

Sucking Him (Blow Job) Sheryl Colton, 2018-05-03 Have you ever given or plan to give a blow job Are you considering knowing how to Well if you are welcome It isn't easy to learn how to give a pleasurable blow job There have been quite a lot of complaints from women from our coaching sessions who see a need to pleasure their man in heavenly ways But what really is there to giving blow jobs and giving it well Firstly before you learn how to give your man the perfect blow job you'll have to consider a lot of things There are men with specific preferences when it comes to pleasuring them and understanding your man's needs will go a long way in determining the kind of satisfaction he gets There are also techniques that he may want you to consider especially as it relates with his penis shape or size Fellatio as it is known is a
