Blue Canning Recipes:

Ball Blue Book of Canning and Preserving Recipes Various Various, 2010-07 This early work is a fascinating guide to canning and preserving food Its 56 pages are extensively illustrated with text and full page photographs Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

Meals in a Jar: 100 Quick & Easy Mason Jars Recipes Jamie Matthews, You've seen mason jars all over the internet and perhaps even at a recent wedding Whether for crafting sipping a cocktail or growing chives these portable glass containers are no longer reserved simply for preserves There's a mason jar trend that's sweeping the nation right now with the canning jars being repurposed for meals in jars Once used primarily for jams and jellies mason jars have taken on a whole new role Mason Jar Meals are becoming increasingly popular because they're ridiculously quick and easy to make Stack them in your fridge or throw them in your purse Mason jar recipes are great whether you're making homemade gifts preparing meals for the week or entertaining guests This book contains proven recipes and tips on how you can make quick easy desserts in a jar I will provide you with everything you need to know from tools ingredients and recipes to storage This book includes recipes for everything from muffins to lasagna to fancy desserts

Home and Farm Food Preservation William Cruess, 2008-02-06 After providing a detailed explanation of food spoilage William Cruess in his 1918 volume goes on to provide directions and recipes for the canning and preserving of a variety of food stuffs

Step-by-step guide to preserving vegetables Fermenting, pickling, canning, dehydrating and freezing your favorite products, 2024-04-02 How to Use this Book This book is based on my desire to preserve vegetables in ways that my family will eat and do that as efficiently as possible When possible I preserve vegetables in a meal ready way Instead of canning a bunch of carrot slices in quart 1 L sized jars when I bring in a large carrot harvest I'll make a batch of Canned Spice Carrot Soup and a couple of jars of Fermented Mexican Carrots Then I'll use the tops to make Frozen Carrot Top Pesto for the freezer The carrot soup is the only time consuming item the other two can be put together while the soup is processing The first part of this book is an overview of food preservation methods canning both water bath and pressure canning dehydrating fermenting and freezing You'll find the basics of how to use these methods to safely preserve vegetables but you won't find details for every scenario that could happen while preserving vegetables I've written these chapters with enough information to get you started preserving the harvest but not so much information that it leads to confusion and information overload The rest of this book is focused on growing and preserving the most popular vegetables and herbs that are grown in the home garden Each vegetable has its own chapter and in that chapter you'll find instructions on how to grow purchase can dehydrate ferment and freeze that vegetable You will also find recipes that highlight the vegetable most of these recipes are for preserving the vegetable but some recipes use the preserved vegetable Most of the recipes are written so that you'll preserve small batches at a time

simply because I find that adjusting recipes to scale up is easier than scaling down If your family likes a recipe or if you have enough of one vegetable to make two batches of a recipe just double the ingredients and it will work out fine The exception to this is any of the jam or jelly recipes don't ever double a jam or jelly recipe or you run the risk of it not setting up I hope you read through the whole book to get a vision for how these different preservation methods can work together to stock your pantry with food your family will eat Then when a vegetable is in season I hope you reread that vegetable's chapter and make a plan for preserving all of the harvest in a variety of ways Of course I hope that some of our favorite preservation recipes become your family favorites too
