Blue Jeans and Coffee Beans, 2014 New York Times Bestseller Escape to Stony Point cuff your jeans and walk along the water's edge in this nostalgic story bringing old friends and their lives back to the sea After years of pursuing a denim design career Maris Carrington never imagined trading her Chicago studio for a New England shingled cottage But a forgotten home movie tucked inside a dusty attic box leads to an unexpected summer One of uncovering family secrets while settling her father's estate one of inheriting a forlorn German shepherd one of reconnecting with old friends on a weathered boardwalk beneath starlit skies on a beach nestled in a cove of the Connecticut coast Her design career had become a shell curving around her like the intricate whorls of a conch shielding her until now Until fried clam dinners and carousel rides beckon a lost love But can Maris ever really go back Can these beach friends ever be who they were to each other all those summers ago Now one of her circle is dead another unemployed and struggling in a tenuous marriage another regretting a fateful decision while one is missing a mother ever seeking a connection she longs for To the backdrop of seaside cottages and a boarded up beach hangout to the soundtrack of whispering lagoon grasses and a vintage jukebox Blue Jeans and Coffee Beans asks if we can really design our own lives or if our fate lies somewhere in the stars

Joanne DeMaio, 2013-03 After years of pursuing a denim design career Maris Carrington never imagined trading her Chicago studio for a New England shingled cottage But when her life sketch takes an unexpected shape smudged with a pastel seaside setting rendered with pencil strokes of her father's estate shading family secrets and inked with silhouettes of old friends reconnecting on a weathered boardwalk nothing is what it seems as illusion blends with reality **IN THE GLOBAL**
