Blush Politics And Other Unnatural Acts:

Blush: Politics and other unnatural acts Barry Parham, 2011-10-11 Includes the award winning story Razing Arizona Excerpts from Blush At the Inauguration a better tone was set when the incoming First Couple met the outgoing First Couple on the steps of the White House There were hugs all round and the incoming First Female Significant Other presented a gift to the outgoing First Female Significant Other This kindness spurred the hovering photo hounds into a frenzy of photo hounding until the Clintons leapt out of the First Shrubbery stole the gift and spirited it off to their First Legacy Museum Bill Clinton then pardoned the shrubbery I m building a politician in case you re looking to buy one For a while there I was thinking of running for office myself But I m not going to lie to you And there it is If I can t lie to you I m not politically viable During a bone chilling outbreak of global warming Barack Obama was inaugurated President of the United States and got three votes for the Papacy and won the Rose Bowl He immediately set the tone for his administration by having world class musicians fake a music performance while not paying their taxes The new President then introduced us to his twin teleprompter speaking style making him look like he s constantly talking to 2 very tall voters on opposite sides of the room Later in the month Congress presented a Health Care Bill that everybody agreed was probably well written Online humorist Barry Parham is back with another acute collection of satire targeting politics and other less evil things And when Barry s in the beltway no party or platform is safe **Full Frontal Stupidity** Barry Parham, 2012-04-26 Praise for Full Frontal Stupidity Parham is at the very top echelon of American humorists equal to Dave Barry or David Sedaris on their best day Linton Robinson Editor My Funny Valentine Humor columnist Barry Parham is back launching his latest salvo of hilarious thought provoking take no prisoners observations on being single Single guys buy milk in small manageable doses as if they were bringing home work or morals It would never cross a single guy s mind to buy an entire gallon of anything much less some expiring liquid that can mutate into something that smells like Detroit looks on auto racing I m the first to admit that racing takes talent not to mention bravery But there s bravery involved in putting your hand on a hot stove too Sadly though after you re done with the stove there s nothing much left but discipline and learning to write with your other hand on politics Contestant 3 was unable to make it but he did swing by and vote Present so we would validate his parking and he would like to remind our studio audience that was for showing up before he was against it Includes these award winning stories Skirts vs Skins Scenes From a Maul **The Examiner, Containing Political Essays on the Most Important Events of the Time** Barent Gardenier, 1813 **The Pornography Controversy** Ray C. Rist, 1974-01-01 Discusses governmental responsibilities and individual liberties ethical problems of moral judgement and legal considerations in defining and suppressing obscene material Literature and the Glocal City Ana María Fraile-Marcos, 2014-07-17 The modern city is a space that can simultaneously represent the principles of its homeland alongside its own unique blend of the cultures that intermingle within its city limits This book makes an intervention in Canadian literary criticism by

foregrounding both globalism which is increasingly perceived as the state of the art literary paradigm and the city These are two significant axes of contemporary culture and identity that were previously disregarded by a critical tradition built around the importance of space and place in Canadian writing Yet as relevant as the turn to the city and to globalism may be this collection s most notable contribution lies in linking the notion of glocality that is the intermeshing of local and global forces to representations of subjectivity in the material and figurative space of the Canadian city Dealing with oppositional discourses as multiculturalism postcolonialism feminism diaspora and environmentalism this book is an essential reference for any scholar with an interest in these areas
