Blood Bricks And Dandelions To Be Young Black And Gay:

Blood Bricks and Dandelions Kenneth Morrison, 2014-12-28 Blood Bricks and Dandelions is a collection of Kenneth's journals, poems, and thoughts from the age of 13 to 18. In 2008, while moving into his new home, Kenneth discovered a box of old high school journals. The bent and torn black and white composition books captured his fight with his parents' drug addictions, the loss of his best friend, the discovery of his sexuality, and the first time he fell in love. He realized while reading the entries over and over that these books were no longer an escape from a world he hated but were in fact a road map to a world he loved. He realized that what were once his most precious secrets now needed to be shared with the world. Blood Bricks and Dandelions is an authentic look into the teenage life of the many young Kenneths struggling to grow up young black and gay in America.
