To become a witch or not to become a witch That is the question At least that s the question Kara Heather and Stella three of the gypsy healers are facing The high fae ambassador Perizada the healers and a host of wolves are in a race against time to create the witch army that Volcan desires But they must also keep the gypsy healers beings of pure light and goodness from becoming evil in the process Should be a piece of cake Meanwhile the werewolf males are fighting their innate hunger to mark their mates and finish the Blood Rites thereby keeping their own darkness at bay If they remain unbound a chink forms in the packs armor one that Volcan won t hesitate to exploit when he finds it *Out of the Dark* Quinn Loftis,2012-06-04 He is mine and I am his I will move every obstacle in my way to remind him Decebel Anghelescu is one of the strongest Canis lupus on earth an alpha in his own right Now that he s found his mate the fiery blonde Jennifer Adams he could be stronger still a powerful asset to the Romanian Greys But he s been crippled by a devastating curse one cast by an unknown enemy a witch of incredible power The spell threatens to dissolve the fragile new bond with the woman that is the other half of his soul It will take the help of an entire pack to break it but has too much damage already been done Meanwhile injured and alone Jennifer fights for her life and it appears to be a losing battle Now she has come to terms with her fate accepting she won t share a life with Decebel and what a life it would have been But help comes in the most unexpected form the discovery of a long lost healer The Romanian alpha Vasile Lupei will have to use all his resources including Sally Morgan the new gypsy healer of the Romanian pack to battle the witch lift the curse from Decebel and reunite him with his mate and solve a mystery that s been surrounding the Romanian pack for 300 years **Elfin Trilogy** Quinn Loftis,2019-02-14 The award winning Elfin Trilogy in a complete Box Set Elves both dark and light operate in secret to control some of the largest businesses in our world When teenager Cassie Tate inadvertently witnesses a meeting of the alluring creatures at her father s office her life immediately becomes forfeit But she is saved by the most unlikely of heroes Triktapic an elfin assassin the service of the dark elf king When Trik realizes Cassie is his Chosen his loyalties become divided Will Trik continue to serve his dark nature or will he choose the one destined for him and leave his life of darkness behind His decision just might cost them both their lives Follow Trik and Cassie s adventures as they are swept up into an ages old conflict between the light and dark elves The fate of humans and elves alike will hinge upon the decisions they make and ultimately their love for one another **Jewel of Darkness** Quinn Loftis,2015-12-29 Dalton Black never thought he d find his true mate His dark

past convinced him that he could never be worthy of one but the Great Luna did not agree She saw fit to give him a gypsy healer the purest of heart among their kind And now that he s finally found her she slips through his grasp and into the hands of Volcan a corrupt high fae driven mad by his own need for power Now Dalton with help from his own powerful friends must find Jewel and rescue her before Volcan can use her blood to create witches and once again throw off the balance of good and evil As their journey begins Perizada will once again lead a group of wolves on a hunt to bring down evil but little do they know that Volcan is just a drop of blood in the sea of supernatural beings about to darken their path      **Just One Drop**

Quinn Loftis,2012-08-15 Jennifer Adams best friend to Jacque Pierce and Sally Morgan spicy out spoken a little crazy and human or so she thought Jen has just found out that human DNA is not the only thing that resides in her veins she happens to share that little pesky werewolf gene although it isn t more than just a drop Now that she and her friends are living in Romania with Fane s pack she is also oh so conveniently stuck with the object of her affection the fur ball Decebel Drawn to each other by something they don t understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball Not only is she dealing with that not so un frustrating problem she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi pack gathering for unmated wolves This type of gathering hasn t taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won t ever find their true mates Meanwhile Decebel struggles with the emotions he is feeling towards Jen He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can t seem to get enough of go figure      **Wolves of Wrath** Quinn Loftis,2017-09-27

Long ago during the Great Purge the witches that had grown too many in number and too powerful were destroyed The high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified So they killed all of the witches and their creator or so they thought But they were wrong Volcan the high fae who had once been a member of their council until he decided he wanted to be all powerful and created the witches had bided his time hiding in the Dark Forest Now he s back and hell bent on rebuilding his army of witches Only this time he s set his eyes on the gypsy healers to be the tool from which he creates them He already has two of the newly found healers Jewel and Anna with his blood running in their veins And though he thinks he s got it all planned out what Volcan hadn t calculated into his formula of healers his blood witches was the healer s mates Dalton and Gustavo Both males are more than ready to sink their teeth into the high fae who has taken their females With the darkness closing in on all four of them it is a toss up as to who will succumb to it first Mean while the healers and wolves Peri had stashed in the pixie realm are sitting ducks with the Veil between them and the human realm locked The mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm Perizada is once again fighting for those who are under her protection while at the same time trying not to kill them herself Considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff

period it is not certain who will destroy who. The only thing that was certain none of them was willing to surrender. Throw in a powerful eccentric Djinn who has suddenly gotten bored and things are guaranteed to get messy. This is the continuation of the story of the five gypsy healers, the fae who protects them, and the wolves whose wrath will consume any who come between them.

Wolf of Stone Quinn Loftis, 2014-10-31 Dalton Black, a Canis lupus full of guilt and anger, never expected to find his true mate. Perhaps already slipping into madness, he had resigned himself to the fact that he would walk the earth without the other half of his soul. He was convinced that his sins were enough to keep the Great Luna from giving him such a blessing. He knew it was probably better that way. His past was as dark as his name, and after three centuries of running from it, the memories were finally catching up to him. But all of those resignations evaporated when he saw her, broken and bloodied, lying on that altar. Though the man didn't recognize her, the wolf did. Through battle and bloodshed, he was able to save her from the evil that held her captive, but now he would need her to save him from himself. Jewel Stone was wholly unaware of the ancient bloodlines of Gypsy Healers, mates to Canis lupus and protectors of the packs, much less that she carried that blood herself. But when a beautiful but deadly woman showed up in her home and ripped her from her realm, she knew her life would never be the same. Her mother, Gem, a fortune teller, had warned her that something was coming, that her life was about to change dramatically, but like everyone else, Jewel had dismissed her as a crazy person. Jewel was the laughing stock of her school simply because Gem was her mother. And up until now, her life was one big disappointment after another. Instead of heeding her mother's warning, she hid in her books, burying herself behind knowledge, both fact and fiction. She escaped into worlds created by others and filled her mind with facts of every kind in an effort to push away the hurtful words that others bombarded her with. Despite all of her knowledge and all of her fantastical stories, she never dreamed her own future would be full of adventure, danger, passion, and the possibility of unconditional love. As she lay unconscious after her first bloody encounter in the fae realm, her only chance of survival lay in the hands of a man scarred by his past, disfigured both emotionally and physically, and beyond the reach of any who had tried to help him. Can two broken people, who carry the other half of each other's souls, span the chasm between them and restore the innocence ripped from both their lives? Will they let the promise of healing love overcome the difference in age and experience and the separation of species and realms? Or will they give in to the fear and doubt that would keep them from one another for eternity?

*Into the Fae* Quinn Loftis, 2019-01-29 With peace finally descending on the Romanian Grey Wolves, longtime fae ambassador to the wolves, Perizada, has been given a new mission by the Great Luna. But Peri's desire for revenge against her sister, Lorelle, burns in her heart. Further complicating matters, the great white wolf, Lucian Lupei, has been returned to the pack after centuries trapped in the Dark Forest, and it appears he is destined to be with Peri. Can she put aside her thoughts of vengeance long enough to accept Lucian's love and complete her mission?

**The Hybrid Rule** Quinn Loftis, 2023-03-28 So many impossibly powerful foes have opposed the wolves and their allies over the years. Evil witches, warlocks, fae, elves, and

alphas just to name a few And all have found the pack too strong to break But the foe hellbent on taking down the pack now the vampire king Cain has a plan that might finally tip the balance of power away from the wolves In the middle of the desert Cain works desperately to find a way to mix the blood of wolves and vampires While most find the idea reprehensible Cain believes it is the key to his victory He imagines an army of unstoppable hybrids with the combined power of the vampires and the Canis lupus Such a force would be unstoppable even for the powerful of alpha of alphas Fane Lupei And Cain just might have found the secret ingredient necessary to bring his plans to fruition      **Tattered Bonds** Quinn Loftis,2024-09-30 The vampire king s army of vampire werewolf hybrids is spreading across America slaughtering everything in its path Aided by Celise a sprite driven mad by despair and armed with a book that grants unimaginable power Cain s hybrids can strike anywhere and at any time But the hybrids aren t the sprite s most powerful weapon That distinction belongs to an innocent pack member drawn into a web of betrayal by Celise s wicked lies Already pressed on all sides the wolves allied forces must race to uncover a deadly secret being kept by one of their own If they fail even their combined strength won t be enough to stop the evil forces hellbent on nothing less but a complete annihilation of humankind The hour of reckoning has arrived and even the deepest love may not be enough to heal the wounds that come from within The fate of the grey wolves hinges on their willingness to fight forgive and make unfathomable sacrifices      **Wolf Divided** Quinn Loftis,2023-06-27 Loss Pain Betrayal Many mate bonds would not have survived And Dillon and Tanya Jacobs bond barely did Dillon s choices almost destroyed their relationship before it ever began Would Dillon change those choices He couldn t Because they led to his daughter Jacque who was to become mate to the strongest alpha to ever live But the trials that grew from Dillon s choices won t be easily passed To make it through the trials to come Dillon and Tanya will need each other Every betrayal will require an equal measure of forgiveness All the pain will require perseverance Every loss will be met with redemption Will Tanya and Dillon come out stronger on the other side Or will Dillon s mistakes haunt him forever Amidst the pain of separating from Jacque s mother and the discovery of his true mate Dillon will face a challenge he never expected A challenge that could thrust him into the leadership of his own pack or end him forever      **Beyond the Veil** Quinn Loftis,2012-12-05 Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha the war is far from over Desdemona a witch of unfathomable power has escaped the wolves wrath but she will not go quietly into the night She takes refuge in a place where even the smallest sliver of light does not dare to enter Though she had to flee she has not given up on the treasure she wishes to acquire Her depravity knows no bounds she s even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia with good reason the danger is incalculable Meanwhile there are major changes rippling through the Romanian Grey wolves Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupis species Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides But the

winds of change are blowing changes that will alter the future of not only the Canis lupis but of another ancient race as well Amidst all of this Sally is continuing to come to terms with her relationship with the playful charming flirty unbelievably handsome bartender who happens to be a member of the Romanian pack If all that weren't enough the Fates have decided to pay a little visit to Jen It's time to collect She cheated the Fates of a life her life Now they want what they are due The problem It's more than Jen is willing to pay Yes the war is indeed far from over Bargains will be struck declarations will be made sacrifices will be given love will be tested and trust will be questioned as evil makes its stand against them all

*Unbroken* Quinn Loftis, 2025-07-21 The supernatural world stands on the brink of chaos Fane and his pack have disappeared scattered across dangerous and forgotten realms their connections severed by veils sealed with blood magic Their mates and allies fractured and vulnerable are left to fend for themselves in hostile realms where danger hides in every shadow In their absence whispers spread of a rising darkness Celise a sprite wielding the ancient and forbidden Nushtonia determined to reshape the supernatural order in her own twisted image But power is never absolute A new player emerges Shade a djinn warrior with secrets of his own His true motives remain veiled but one thing is clear Shade will stop at nothing to find the disgraced djinn he believes is his mate As Celise and Shade clash their agendas threaten to shatter the fragile balance between life and death Meanwhile Jewel battles crippling guilt knowing her actions put her loved ones in danger while facing a life altering choice that will impact her and Dalton forever Scattered across realms Fane Jacquelyn and the Grey Wolves fight to survive their love and loyalty tested by unimaginable trials With the veils sealed and darkness rising they must reunite to stop a force that could destroy every realm Who will rise and who will fall And in the end will the Grey Wolves endure or will they be lost to the darkness forever *The Grey Wolves Series Books 1-6* Quinn Loftis, 2020-10-06 Read the series with over 100 thousand five star ratings across all platforms Readers love being a part of the Grey Wolves Pack This is one of my absolute favorite series Quinn has a way of telling a story with so much emotion you can almost feel what the characters feel She tells the story with great detail and enthusiasm Amazon verified review This collection includes the first six books of the series at a discount of 50% off the regular price Prince of Wolves Blood Rites Just One Drop Out of the Dark Beyond the Veil Fate and Fury The Grey Wolves series follows the adventures of three high school seniors Jacque Jen and Sally as the girls are introduced to the hidden world of the Romanian grey wolves The grey wolves universe is populated with dominant male Alpha werewolves who slowly succumb to the darkness within them unless they find their true mates It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world But destiny won't be fulfilled without a fight Female Canis lupus are few and far between and sinister dominant wolves will rise to challenge for the right to mate with these new unique females Then ensuring chaos will undermine the strength of the packs just when a new threat to the Canis lupus world emerges one that can only be defeated by the strength that comes from the special union of true mates What readers are saying All time favorite Wolf Series My
