Cases in

Marketing Management Kenneth E. Clow, Donald Baack, 2011-03-28 This comprehensive collection of 38 cases selected from Ivey Publishing helps students understand the complex issues that marketing professionals deal with on a regular basis. The cases were chosen to help students apply conceptual strategic thinking to issues in marketing management as well as provide them with more practical operational ideas and methods. Cases were chosen from around the world from small and large corporations and include household names such as Twitter, Best Buy, Ruth's Chris, and Kraft Foods. The majority of the cases are very recent from 2009 or later. Each chapter begins with an introductory review of the topic area prior to the set of cases and questions are included after each case to help students to think critically about the material. Cases in Marketing Management is edited by Kenneth E. Clow and Donald Baack and follows the structure and goals of their textbook Marketing Management: A Customer Oriented Approach. It can also be used as a stand alone text or as a supplement to any other marketing management textbook for instructors who want to more clearly connect theory and practice to actual cases.

Harper's Magazine, 1891 Important American periodical dating back to 1850 Cigars and Other Passions Hochstein Peter Hochstein, Peter Hochstein, 2010-03 NOT YOUR EVERYDAY CIGAR MOGUL For more than 60 years Edgar Cullman was king of the cigar business. Whether it was top of the line cigars like Macanudo and Punch or mass market products like White Owls, Tiparillos, and Tijuana Smalls, Edgar influenced what people were puffing, the cigar jingles they were humming, where the cigars came from, and how they were made. But Edgar also was, and at the age of 92 still is, more than just a cigar man. He built his career on a smorgasbord of businesses among them plastics, packaging, potato chips, real estate, and the world's best-known laxative, all the while dealing, bantering, and playing with an array of unforgettable characters. You'll learn about his father's whacky hobbies, the uncle who produced nearly all of a generation's best Broadway shows, a terrifying prep school headmaster, a Nazi secret agent, a daring pilot who escaped Nazi-occupied Holland and became Edgar's friend, and wise-cracking investment bankers and fellow philanthropists who express their camaraderie by taking one another down a notch. There's also a great love story here: Edgar's courtship and romance with Louise Bloomingdale that began in the 1930s and still goes strong today. CIGARS AND OTHER PASSIONS is about cementing relationships, building wealth, giving back to society, and nurturing a marriage and family for more than 70 years, all the while having marvelous fun. Cigars are my passion, and Yale football is a close second, Edgar Cullman.

The Unlikely Lavender Queen Jeannie Ralston,2008-05-27 From one of the founders of Hill Country Lavender comes this honest funny and poignant memoir of a woman who gives up a lot for the man she loves her beloved blue state bagels and all night bodegas only to wonder Was it too much In 1990 Jeannie Ralston was a successful magazine writer and bona fide city girl the type of woman who couldn t imagine living on soil not shaded by skyscrapers By 1994 she had called off an engagement married Robb a National Geographic photographer and was living in Blanco Texas population 1600 In *The Unlikely Lavender Queen* Ralston offers a lively chronicle of her life as a wife new mother and an urban settler in rural Texas As she labors to convert a dilapidated barn into a livable home deal with scorpions and unbearably hot summers and raise

two young children while Robb is frequently away on assignment she realizes her ultimate struggle is to reconcile her life plans and goals with her husband's without coming out the proverbial loser And just when it seems like she might be losing that fight and herself a little purple bloom changes her life For centuries lavender has been a mystical herb so valuable to ancient Romans that a bushel would cost nearly a month's wages But when Robb returns from a trip to Provence with a plan for growing lavender on their land Ralston is not convinced in fact the last thing she needed or wanted was to take up farming on top of everything else Then much to her surprise she slowly but surely falls in love with lavender and in the course of growing and selling blooms hosting the public at the farm and creating lavender products she discovers a new side of herself A few short years later Ralston had built Hill Country Lavender a thriving commercial enterprise that transforms both her little corner of Texas and her life The Unlikely Lavender Queen will resonate with all women who have faced the tough choices that come with having it all and secretly or not so secretly hoped for great adventure to come along and surprise them Ralston's memoir is a testament to the fact that such adventures await us around every bend in life
