Re-Scaling the Environment Ákos Moravánszky, Karl R. Kegler, 2016-12-19 From 1960 1980 both eastern and western Europe experienced a construction boom of new dimensions Cybernetics the science of planning and sociology as well as the new possibilities offered by technology and production paved the way to large scale processes and systems in architecture and urban design which favored technocratic and utopian concepts Increasingly architects and planners saw themselves as designers of comprehensive infrastructure and mega structures in a technology focused world The authors assesses these developments on the back of a knowledge transfer between East and West It confirms a change in attitude that can still be felt today recession social changes and environmental problems led to criticism of the then contemporary concepts of modernity

A Cultural History of the Home in the Age of Enlightenment Clive Edwards, 2024-03-07 During the period of the Enlightenment the word home could refer to a specific and defined physical living space the location of domestic life and a concept related to ideas of roots origins and retreat The transformations that the Enlightenment encouraged created the circumstances for the concept of home to change and develop in the following three ways First to influence homemaking were the literary and cultural manifestations that included issues around attitudes to education social order and disorder sensibility and sexuality Secondly were the roles of visual and material culture of the home that demonstrated themselves through print portraiture literature objects and products and dress and fashion Thirdly were the

industrial and sociological aspects that included concepts of luxury progress trade and technology consumption domesticity and the notions of public and private spaces within a home The chapters in this volume therefore discuss and reflect upon issues relating to the home through a range of approaches Enlightenment homes are examined in terms of signification and meaning the persons who inhabited them the physical buildings and their furniture and furnishings the work undertaken within them the differing roles of men and women the nature of hospitality and the important role of religion in the home Taken together they give a valuable overview of the manners customs and operation of the Enlightenment home

Reading Graphic Design History David Raizman,2021-03-11 Reading Graphic Design History uses a series of key artifacts from the history of print culture in light of their specific historical contexts It encourages the reader to look carefully and critically at print advertising illustration posters magazine art direction and typography often addressing issues of class race and gender David Raizman s innovative approach intentionally challenges the canon of graphic design history and various traditional understandings of graphic design He re examines icons of graphic design in light of their local contexts avoiding generalisation to explore underlying attitudes about various social issues He encourages new ways of reading graphic design that take into account a broader context for graphic design activity rather than broad views that discourage the understanding of difference and the means by which graphic design communicates cultural values With a foreword by Steven Heller International Design Organizations Jeremy Aynsley,Alison J. Clarke,Tania Messell,2022-01-13 This innovative volume brings together international design scholars to address the history and present day status of national and international design organizations working across design disciplines and located in countries including Argentina Turkey Estonia Switzerland Italy China and the USA In the second half of the 20th century many non governmental organizations were created to address urgent cultural economic and welfare issues Design organizations set out to create an international consensus for the future direction of design This included enhancing communication between professionals educators and practitioners raising standards for design and creating communities of designers across linguistic national and political borders Shared needs and agendas were identified and categories of design constantly defined and re defined often with overt cultural and political intents Drawing on an impressive range of original research archival sources and oral testimony this volume questions the aims and achievements of national and international design organizations in light of their subsequent histories and their global remits The Cold War period is central to the book while many chapters draw on post colonial perspectives to interpret how transnational networks and negotiations took place at events and congresses and through publication **A Cultural History of Craft** Clive Edwards,2026-02-19 The first systematic history of craft from classical antiquity to today Reading Graphic Design in Cultural Context Grace Lees-Maffei,Nicolas P. Maffei,2019-03-21

Reading *Graphic Design in Cultural Context* explains key ways of understanding and interpreting the graphic designs we see all around us in advertising branding packaging and fashion It situates these designs in their cultural and social contexts Drawing examples from a range of design genres leading design historians Grace Lees Maffei and Nicolas P Maffei explain theories of semiotics postmodernism and globalisation and consider issues and debates within visual communication theory such as legibility the relationship of word and image gender and identity and the impact of digital forms on design Their discussion takes in well known brands like Alessi Nike Unilever and Tate and everyday designed things including slogan t shirts car advertising ebooks corporate logos posters and music packaging *Interior Design* Clive Edwards,2010-11-01 The practice of interior design has become ever more specialised as new technologies have expanded how designers can use light space colour and decoration At the same time the study of the interior private public and corporate has become a complex field Interior design is now a rich and sophisticated discipline which draws on many others psychology cultural theory philosophy gender studies anthropology and history as well as design history architecture art and craft furniture and fashion Interior Design presents a critical introduction to contemporary theory and practice The book highlights the key concepts behind the study of interiors in order to present an inter disciplinary overview of the subject Always aware that design is a practical discipline the book is illustrated throughout with examples and detailed case studies of interior design practice

A Cultural History of the Home in the Age of Enlightenment Clive Edwards,2022-09-08 A thematic overview of the cultural history of the home during the Enlightenment *The Routledge Companion to Art Deco* Bridget Elliott,Michael Windover,2019-06-25 Scholarly interest in Art Deco has grown rapidly over the past fifty years spanning different academic disciplines This volume provides a guide to the current state of the field of Art Deco research by highlighting past accomplishments and promising new directions Chapters are presented in five sections based on key concepts migration public culture fashion politics and Art Deco s afterlife in heritage restoration and new media The book provides a range of perspectives on and approaches to these issues as well as to the concept of Art Deco itself It highlights the slipperiness of Art Deco yet points to its potential to shed new light on the complexities of modernity *Von der Berufung zum Beruf: Industriedesigner in Westdeutschland 1959-1990* Yves Vincent Grossmann,2018-08-20 Die Gründung des ersten Berufsverbandes der Industriedesigner in Stuttgart 1959 markierte den Beginn einer Professionalisierung der bundesdeutschen Produktgestaltung Yves Vincent Grossmann zeigt in seiner Sozialgeschichte der Industriedesigner wie sich die Gestalter gegen ber Fragen im Zuge der lpreiskrisen Postmoderne und Globalisierung neu positionierten Sie bernahmen zunehmend die Rolle eines Krisenmanagers denn trotz des Eisernen Vorhangs blieben die Beziehungen auf der industriellen Ebene zwischen Ost und West erhalten Mit der BASF AG Siemens AG Rosenthal AG und MAN AG werden vier Firmen beispielhaft betrachtet **The Interiors Theory Primer** William Mangold,2025-07-31 In a world where life is increasingly defined by the spaces we inhabit understanding interiors is essential to understanding ourselves The Interiors Theory Primer

maps the intellectual terrain of interior design and spatial experience introducing readers to key concepts that shape how people occupy interior spaces Organized into three parts this book begins with foundational concerns such as place identity materiality and atmosphere and then examines the boundaries and expertise of the discipline before turning to critical and emerging topics like biophilia virtuality and social justice Each chapter presents a focused literature review of a major theme in interiors theory supported by key design precedents and suggestions for further reading Drawing on a wide range of scholarship The Interiors Theory Primer offers a coherent framework for understanding interiors as a distinct interdisciplinary field deeply embedded in the human condition Accessible to students useful to professionals and provocative for scholars The Interiors Theory Primer argues that the designed environments in which we live work and gather deserve greater attention not only for their aesthetic and functional qualities but also for their powerful role in shaping contemporary life

Household Servants and Slaves Diane Wolfthal, 2022-04-12 The first book length study of household servants and slaves exploring a visual history over 400 years and four continents The first book length study of both images of ordinary household workers and their material culture Household Servants and Slaves A Visual History 1300 1700 covers four hundred years and four continents facilitating a better understanding of the changes in service that occurred as Europe developed a monetary economy global trade and colonialism Diane Wolfthal presents new interpretations of artists including the Limbourg brothers Albrecht Dürer Paolo Veronese and Diego Velázquez but also explores numerous long neglected objects including independent portraits of ordinary servants servant dolls and their miniature cleaning utensils and dummy boards candlesticks and tablestands in the form of servants and slaves Wolfthal analyzes the intersection of class race and gender while also interrogating the ideology of service investigating both the material conditions of household workers lives and the immaterial qualities with which they were associated If images repeatedly relegated servants to the background then this book does the reverse it foregrounds these figures in order to better understand the ideological and aesthetic functions that they served

History of Modern Design Third Edition David Raizman, 2023-08-31 This unparalleled and wide ranging book surveys the history of applied arts and industrial design from the eighteenth century to the present day exploring the dynamic relationship between design and manufacturing and the technological social and commercial contexts in which this relationship has developed In this extensively revised and expanded third edition David Raizman addresses international questions more fully with the addition of six Global Inspiration sections that examine the contributions of non Western traditions rendering the very notion of a national design debatable The text also pays closer attention to issues of gender race and climate change and their impact on design With over 580 illustrations mostly in colour History of Modern Design is an inclusive well balanced introduction to a field of increasing scholarly and interdisciplinary research and provides students in design with historical perspectives of their chosen fields of study
