Trump will be president again whether he is on the ballot or not That is because Trumpism is overtaking the Republican
Party and will mount a vigorous comeback potentially in the hands of a savvier successor The Next Trump This prophecy will
come true according to Miles Taylor if we do not learn the lessons of the recent past With the 2024 election approaching the
formerly Anonymous official is back with bombshell revelations and a sobering national forecast Through interviews with
dozens of ex Trump aides and government leaders Taylor predicts what could happen inside Trump 2 0 the White House of a
more competent and more formidable copycat What sounds like a political thriller from shadowy presidential powers and CIA
betrayals to angry henchmen and assassination plots is instead America s political reality as Taylor uses never before told
stories to shed light on the ex president s unfulfilled plans the dark forces haunting our civic lives and to show how we can
thwart the rise of extremism in the United States Blowback is also a surprisingly emotional and self critical portrait of a
dissenter one whose own unmasking provides a vivid warning about what happens when we hide the truth from others and
most important from ourselves Page 4 of cover Operator and Organization Maintenance Manual ,1990 *Manual for the*
