Blue Moon Of Kentucky Elvis:

The Sonic Swagger of Elvis Presley Gary Parker, 2022-05-02 Elvis Presley's clever manipulation of his numerous interests remains one of the music world's great marvels. His synthesis of country, rhythm and blues, and gospel resulted in an inventive mixture of hair-raising rock and roll and balladry. This book focuses on the music of Presley's groundbreaking early years and includes a comprehensive analysis of every Presley recording session from the 1950s. Chapters show how Presley, with one foot in delta mud and the other in a country hoedown, teamed with Scotty Moore and Bill Black to fuse two distinctly American musical forms, country and blues, to form what would come to be known as rockabilly. Also detailed is Presley's influence on music and how his contributions are still celebrated today. [Elvis Presley Concerts and Rehearsals from 1944 to 1977](#)

[Dead Elvis](#) Greil Marcus, 1999 Listening in on public conversation that recreates Elvis after death. Marcus tracks Presley's resurrection. He grafts together snatches of film, music, books, newspapers, photos, posters, and cartoons and amazes us with what America has been saying as it raises its late king and also what this obsession with dead Elvis says about America itself.

Elvis Rees Quinn, 2015-07-08 Elvis Presley was unique. I don't sound like nobody, he said before he was anybody. And John Lennon, whose Beatles would later create their own mania in the world, would offer the tribute: Before Elvis, there was nothing. Elvis, writes New York Times bestselling author Rees Quinn, was the world's first superstar, but that couldn't erase the scars of a childhood filled with poverty, humiliation, loneliness, and shame. He tried to buy happiness, but

Understanding Elvis Susan M. Doll,2016-12-05 Although the importance of Elvis Presley's Southern heritage has long been recognized few have considered the complex connection between the performer's career and his Southern roots This study investigates how that identity affected each stage of Presley's career Elvis Presley's career can be divided into three phases each of which is signified by a specific image Each image is coded by a certain style of music mode of dress and arena of performance The evolution from one career phase to another was instigated by a specific event and represented a deliberate calculation on the part of Presley's manager to attract a wider audience The first stage spans the years 1956 through 1958 after the singer was introduced to a national audience and before he was drafted into the army His image as a notorious rock n roller created a national controversy and was spurred by negative depictions of Presley in the media many

attributing his controversial performing style and appearance to his Southern background His music was a fusion of rhythm and blues and country western or two types of music indigenous to the South and foreign to the mainstream entertainment industry based in New York City The second phase of Elvis career included his stint as a movie star in which most aspects of his Southern identity were extracted from his leading man image to enhance his appeal to the mainstream And finally the last stage of his career focused on his image as a Las Vegas performer Despite the gaudy costumes Elvis reconnected to his identity as a Southerner in the 1970s by returning to country music and songwriters as a source of inspiration

Elvis: The King of Fashion Lorraine Gibson, 2024-12-31 A marvel and celebration that contains interviews of those intimately involved in the legacy of an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi who went on to become one of the most idolized and imitated solo performer of all time Elvis Presley's life was the ultimate rags to riches story and it was the rags as much as the riches that drove him defined him and made him the global icon he is today Born in a shack in America's Deep South in 1935 to impoverished parents struggling in the wake of the Great Depression he sprung from a life of deprivation to one of international fame and untold wealth all before he was twenty Brought up dirt poor but surrounded by love and music from birth Elvis was infused with the sounds of gospel and the raw hard life blues of the cotton country's plantation workers And when the family radio brought country singers crooners and spiritual quartets to his young ears his musical DNA was fully formed Elvis boarding pass for the rocket ship to stardom was a voice of liquid gold and his striking appearance upgraded him to a VIP fast track ticket into the entertainment stratosphere His unique sense of style and musical talent went hand in hand in creating Elvis the Showman As a teenager before he sang a note it was his unconventional look that singled him out among his peers Later it was his voice that stopped a conservative 1950s America in its tracks This book looks at how Elvis broke down cultural and racial barriers and smiled in the face of safe dressing His bold outfits were his trademark yet no matter how dazzling they never outshone him They were also his force shield superhero costumes that protected him from anxiety pain the glare of the spotlight and in difficult times from reality It considers how Elvis's extraordinary style as much as his pioneering music defined his life and the experiences that he lived through It includes exclusive interviews with Hal Linsky whose family dressed Elvis for three decades and who advised Austin Butler on what to wear playing him in the 2022 movie Elvis Award winning producer director Steve Binder who resurrected Elvis career and put him in that black leather suit for the 1968 Comeback Special Butch and Kim Polston who maintain Elvis legacy recreating his spectacular 1970s Vegas jumpsuits including those worn by Butler Elvis The King of Fashion marvels at how an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi went from homespun to Hollywood in the blink of an eye and became the most popular successful idolized and imitated solo performer of all time Most of all it regards the rollercoaster life of Elvis the man through a fashion lens as he strode like a colossus through the world of showbusiness dressed like The King he never quite believed he was
