So long, Silver Screen Blutch, 2017-03-15T00:00:00+01:00 What is cinema What is its effect on us Why do we love it so much These are all questions to which Blutch seeks the answers in his considered and humble way drawing on his prodigious cultural knowledge and his gift for the comic book form He references Burt Lancaster Jean Gabin Michel Piccoli Luchino Visconti Claudia Cardinale Tarzan Psychose and many more As much comic book as graphic essay this reverie on the narrative art of image marks the advent of one of today's masters of the 9th art Total Jazz Blutch, 2018-02-14 Blutch riffs on two quintessentially American art forms in this collection of jazz themed comics In this freewheeling collection of short stories and vignettes the famed French cartoonist examines not only the music but the nature of the jazz sub culture The grumpy festival goer the curmudgeonly collector and many other fan types are the targets of his unerring gimlet eye Drawn in a range of styles as improvisational as Coltrane and Mingus everything from loose linework to tight pen and ink to gestural pencils Blutch captures the excitement of live performance the lovelorn and the Great Jazz Detective who is out but not down
