786 Gog and Magog: The Invasion J. R. Duran, 2015-01-01 The people of Gog and Magog are mentioned in the great religious books of the world Their history began long ago during the days of Noah Who are these people What became of them The year is 2034 The invasion of Gog and Magog has begun The world fights together to survive Will mankind make it or is this the end of the world as we know it Follow the lives of people as they struggle to exist Gog and Magog in Early Eastern Christian and Islamic Sources E.J. van Donzel, Andrea Schmidt, 2010-05-17 Alexander's alleged Wall against Gog and Magog often connected with the enclosure of the apocalyptic people was a widespread theme among Syriac Christians in Mesopotamia In the ninth century Sallam the Interpreter dictated an account of his search for the barrier to the Arab geographer Ibn Khurradadhbih The reliability of Sallam's journey from Samarra to Western China and back 842-45 however has always been a highly contested issue Van Donzel and Schmidt consider the travel account as historical This volume presents a translation of the source while at the same time it carefully looks into other Eastern Christian and Muslim traditions of the famous lore A comprehensive survey reconstructs the political and topographical data As so many other examples also this story pays witness to the influence of the Syriac Christian tradition on Koran and Muslim Traditions

Lions, Locusts, and the Lamb Michael Kuykendall, 2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John's Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped **Lions Locusts and the Lamb** Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John's structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation

The Day and the Hour Francis X. Gumerlock, 2000 The book is a history of prophecy from around the time of Christ to even into the future a couple of thousand years A fascinating documentary on how many times we have been wrong about the end of the world
