Uncle John's Know It All Bathroom Reader Bathroom Readers' Institute, 2025-09-30 Uncle John and his team have once again filled a truly absorbing volume with entertaining and informative articles that make for ideal bathroom reading. Longtime fans and new readers will see their brain cells take an exponential leap forward with Uncle John's Know It All Bathroom Reader. Fascinating stories that explore the realms of pop culture, history, sports, and science, plus the ever popular exploits of dumb crooks, will fill voids in your knowledge that you didn't even know existed. For this 38th annual edition, Uncle John and his team at the Bathroom Readers Institute have searched high and low to bring you an all new collection of entertaining and informative articles that includes short reads for a quick trip to the throne room, as well as longer page turners for extended visits. Also included are plenty of amusing lists, factoids, quotes, and quizzes that will fill your head with all sorts of odd trivia that you can use to amaze your friends.

Food and Folklore Reader Lucy Long, 2015-12-31 Folklore has long explored food as a core component of life, linked to identity, aesthetics, and community, and connecting individuals to larger contexts of history, culture, and power. It recognizes that we gather together to eat, define class, gender, and race by food production, preparation, and consumption, celebrate holidays and religious beliefs with food, attach meaning to the most mundane of foods, and evoke memories and emotions through our food selections and presentations. The Food and Folklore Reader is the first comprehensive introduction to folklore methods and concepts relevant to food, spanning the entire discipline, with key sources drawn from around the globe. Whilst folklore approaches have long permeated food studies, this is the first dedicated reader to introduce those ideas and to encourage students of food to explore them in their own work. Internationally respected editor Lucy M Long offers expert commentary and rich learning features to aid teaching. Definitive in scale and scope, the reader covers the history of food in folklore scholarship whilst also highlighting food studies approaches and concepts for folklore readers. From seminal works on identity and aesthetics to innovative scholarship on contemporary food issues such as culinary tourism and food security, this will be an essential resource for food studies, folklore studies, and anthropology.

Best Recipes From the Backs of Boxes, Bottles, Cans, and Jars Ceil Dyer, 2017-04-15 Hundreds of recipes that have appeared on the backs of packages for decades, withstanding the test of time, include perennial favorites that are simple, easy to prepare, economical, and delicious.
