of Catholic lay and clergy mainline Protestant historic peace church and Unitarian traditions participated Ages also varied ranging from twenty three to seventy nine Several among the fourteen who gathered are well known today among faith based peace advocates the Berrigan brothers Jim Forest Tom Cornell John Howard Yoder A J Muste and Merton himself During their three days together insights and wisdom from these traditions would intersect and nourish each other By the time they parted their effort had set down solid roots and modeled interreligious collaboration for peace work that would blossom in coming decades Here for the first time the details of those vital discussions have been reconstructed and made accessible to again inspire and challenge followers of Christ to confront the powers and injustices of today *A Social History of Medieval China* Ruixi Zhu, Bangwei Zhang, Fusheng Liu, Chongbang Cai, Zengyu Wang, 2016-12-22 A valuable reference work for the social history of China in the period 960 1279 from leading Chinese scholars **Essential Herbal Wisdom** Nancy Arrowsmith, 2009 Popular author and healing practitioner Nancy Arrowsmith takes readers on a fascinating in depth exploration of the herbal arts Arrowsmith s friendly voice and vast knowledge of herbal applications history and folklore shine through in this herbalism reference work As entertaining as it is practical this comprehensive illustrated herb guide covers everything from herb gathering prayers and charms to signatures for fifty powerful herbs Each herb is described in detail with tips on growing gathering drying and storing these marvelous plants as well as their culinary virtues cosmetic properties medicinal merits veterinary values and household applications Along with thought provoking bits of folk history and literary and spiritual references to herbs and nature this directory includes step by step instructions on cooking with herbs and preparing herbal remedies as well as gardening hints and seed saving tips **Encyclopedia of Immigration and Migration in the American West** Gordon Morris Bakken, Alexandra Kindell, 2006-02-24 Through sweeping entries focused biographies community histories economic enterprise analysis and demographic studies this Encyclopedia presents the tapestry of the West and its population during various periods of migration Examines the settling of the West and includes coverage of movements of American Indians African Americans and the often forgotten role of women in the West s development **Sequoia National Forest (N.F.), McNally/Sherman Pass Restoration Project** , 2004 The Voice of the Crane Echoes Afar Theresa M. Schenck, 1997 Examines origins social organization and political structure of the Ojibwa and challenges many interpretations of previous histories of their sociopolitical development Uses linguistic and documentary sources as well as recorded oral traditions to explain the process by which other groups joined the Ojibwa and describes sociopolitical organization of the patrilineal totemic bands that were the basic unit of Ojibwa society throughout the pre reservation period Disproves the existence of large multi clan villages in prehistoric times and discusses the role of the fur trade in maintaining traditional Ojibwa culture Includes a glossary Annotation copyrighted by Book News Inc Portland OR **The Negro and His Folklore in Nineteenth-Century Periodicals** Bruce Jackson, 2014-06-30 In the eyes of many white Americans North and South the Negro did not have a culture until the

Emancipation Proclamation With few exceptions serious collecting of Negro folklore by whites did not begin until the Civil War and it was to be another four decades before black Americans would begin to appreciate their own cultural heritage Few of the earlier writers realized that they had observed and recorded not simply a manifestation of a particular way of life but also a product peculiarly American and specifically Negro a synthesis of African and American styles and traditions The folksongs speech beliefs customs and tales of the American Negro are discussed in this anthology originally published in 1967 of thirty five articles letters and reviews from nineteenth century periodicals Published between 1838 and 1900 and written by authors who range from ardent abolitionist to dedicated slaveholder these articles reflect the authors knowledge of and attitudes toward the Negro and his folklore From the vast body of material that appeared on this subject during the nineteenth century editor Bruce Jackson has culled fresh articles that are basic folklore and represent a wide range of material and attitudes In addition to his introduction to the volume Jackson has prefaced each article with a commentary He has also supplied a supplemental bibliography on Negro folklore If serious collecting of Negro folklore had begun by the middle of the nineteenth century so had exploitation of its various aspects particularly Negro songs By 1850 minstrelsy was a big business Although Jackson has considered minstrelsy outside the scope of this collection he has included several discussions of it to suggest some aspects of its peculiar relation to the traditional The articles in the anthology some by such well known figures as Joel Chandler Harris George Washington Cable Thomas Wentworth Higginson John Mason Brown and Antonin Dvorak make fascinating reading for an observer of the American scene This additional insight into the habits of thought and behavior of a culture in transition folklore recorded in its own context cannot but afford the thinking reader further understanding of the turbulent race problems of later times and today
