journey of ascension through the seven levels of initiation through the process of anchoring and activating his fifty chakras expanding to a 99 percent light quotient then on to anchoring and fully activating all twelve bodies which include the five higher bodies Exactly how this is done is shared and in depth information is given on the workings of the inner plane ashram under the guidance of Djwhal Khul Lord Maitreya and Lord Melchizedek You are invited to journey with him as he unfolds the process of his initiations beginning at the sixth moving through the equivalent of the tenth initiation and into the beginning of the eleventh Written as a personal log this book shares in an open and candid manner dreams meditations conversations with the masters spiritual background thoughts and reflections and actual ascension experiences *Journey through Eternity* Mario Mantese,2022-02-14 In Shanghai the members of a global lodge come together and conduct a secret Taoist ritual In ancient Egypt a high ambassador is selected by the Pharaoh for an important political mission He rushes off to the temple complex at Luxor to confront conspirators amongst the priests but is assassinated In London Paul Mongrave enjoys the seemingly quiet life of a private scholar When he begins to have strong feelings for the daughter of a Russian aristocrat the peace of his own soul is at stake What does one scene have to do with the other Step by step Mario Mantese links these seemingly separate lives into one narrative which effortlessly encompasses different eras and diverse worlds Through the reader s interaction of these unique characters it becomes very clear how the souls of human beings advance through various stages of incarnation until they ultimately gaze into the mirror and find their true purpose The Swiss author and wisdom teacher provides a gripping story written with great spiritual depth and timeless vision **How to Teach**
