Let God Arise John Whitman, 2019-11-06 The chapters of this book evolved over a period of time as I was listening to young Christians talking about different subjects and realizing the lack of understanding and Bible knowledge they were getting from different sources Seeing most young Christians don t have any real access to Bible school training and receive a lot of their information from friends family and various sources I became burdened to teach them in depth about the subjects they would talk about I began to write these things down that enabled me to give them something to read over and refer to when they needed to refresh their memory These different subjects are basic information that I believe all Christians should understand to help them stay on the path God intended and not be drawn into doctrine misunderstandings Having been to Kenya Africa on a mission trip where I had the ability to teach some of the things in this book I was asked if I could give them all of these teachings in a book as they are hungry for the teachings of the Word of God That prompted me to publish these sixteen Bible lessons for the benefit of those pastors in Africa and anywhere else that people are hungry for the understanding of the Word of God I hope the reader finds these chapters both inspiring and encouraging in their search for knowledge and understanding in their walk with the Lord

Bill Skiles, 2005-05 The place called Earth isn't as big as one small farm boy found out The Midwest boy sat next to his pa one night and learned of a very different kind of moon A LIAR'S MOON From that day forward from his divorce in Tampa Florida to the beautiful Northwest in Washington he lives under the superstition skies while blaming the lore for his misfortune and uncertainties that hampered him at every important decision that went bad Through all the love and pain and questionable romances at both ends of his years he struggled to make sense of them But the small world capped by the threatening moon and clouds of doubt can't stop a surprising outcome for all *I Have Been Thinking* Jason

Whaley, 2011-05-24 A creative reading experience the idea behind reading the book is that a person can sit and read for thirty minutes or less and then go about with new ideas passing through their mind during the day Each entry is a thought or group of thoughts that are intended to bring out the greater levels of wonder from within your mind Many ideas come from a mixing of modern concepts with views from classic religions creating a strange spirituality often stretching far outside the box of normal thoughts this book takes you on a walk through the mind of a man who enjoys making people wonder Where in the world did he come up with that From dream states to atomic landscapes you will find this book funny spiritually uplifting and at times baffling to the senses This is more than a journal of What I did today It is a journal of what comes to mind while one attempts to tear down and rebuild the universe in their head under the assumption that this will help them to understand God Let's Stop Playing Games Joe Lineberry, 2011-09-06 We yearn to be accepted and loved for who we really are Unfortunately we sabotage our efforts to develop successful relationships when we feel threatened We play manipulative games with each other protecting ourselves without realizing it These subtle games are crippling our relationships Let's Stop Playing Games addresses this issue with some serious fun helping us to expose our unhealthy games and why we play them

oenjoy humorous yet sad stories that show how these games work or don t work for us oexplore some game changers
 practical loving solutions to replace our games In the end we hope to be lovingly transformed in our relationships with our
 friends and family and even with God We will be connected to each other forming the authentic community we yearn for
 What a great place to live *Renounce, Resist, Rejoice* Michael Coffey, 2017-10-12 The election of Donald Trump as the forty
 fifth president of the United States was a watershed moment in American history In this book Michael Coffey reflects on
 major social and religious issues leading up to and following the election Coffey addresses the political issues of the day not
 from a partisan position but from the question of what it means to be faithful as church now Rather than pit left against right
 or Republican against Democrat Pastor Coffey seeks to explore fundamental issues of Christian commitments centered in
 love of God and neighbor Coffey shares his personal responses to the events surrounding the election while exploring central
 biblical and theological themes that have shaped and challenged the church in every age This book confronts conservative
 and liberal Christian assumptions and creates space for dialogue about what it means to prioritize the Gospel message of
 compassion and mercy over partisan politics nationalism and ideology Church leaders will find resources for leading
 conversation Church members will find a rich and challenging resource for dialogue Those outside of religious communities
 who are politically engaged will find insight for understanding how people of faith live out their commitments in the public

Walking in the Way Day by Day Keith E. Jackson, MFT, 2014-10-20 This book was written as a result of questions I had concerning the state of the church of our Lord and Savior Jesus Christ I read of all the miracles God performed in the Bible and like Gideon Judges 6 13 I asked the question Where has that God gone Why am I not seeing that kind of power in my life After much prayer and meditation God started to show me what was lacking in my life I realized that walking with God was more than just memorizing Scriptures and learning formulas to get God to work on my behalf While I was paralyzed from a spinal infection I realized that some of what I had been taught in church were based on tradition and were not biblically based During this period of time God began the healing process Through faith in the Word of God I was healed physically but more importantly God gave me the assignment to pass on to others what I have learned I pray for all those who read this book may your eyes and hearts be open to receive the message of God's great love for you and His desire to lead you to your Promise Land
