Legends Never Die Richard Ian Kimball,2017-04-28 With every touchdown home run and three pointer star athletes represent an American dream that only an elite group blessed with natural talent can achieve However Kimball concentrates on what happens once these modern warriors meet their untimely demise As athletes die legends rise in their place The premature deaths of celebrated players not only capture and immortalize their physical superiority but also jolt their fans with an unanticipated intensity These athletes escape the inevitability of aging and decline of skill with only the prime of their youth left to be remembered But early mortality alone does not transform athletes into immortals The living ultimately gain the power to construct the legacies of their fallen heroes In Legends Never Die Kimball explores the public myths and representations that surround a wide range of athletes from Lou Gehrig and Joe DiMaggio to Dale Earnhardt and Bonnie McCarroll Kimball delves deeper than just the cultural significance of sports and its players he examines how each athlete's narrative is shaped by gender relations religion and politics in contemporary America In looking at how Americans react to the tragic deaths of sports heroes Kimball illuminates the important role sports play in US society and helps to explain why star athletes possess such cultural power

W.E. Astill:
All-rounder debonair Antony Littlewood,2014-08-01 Ewart Astill 1888 1948 was not only an outstanding all rounder who

amassed more than 2 000 wickets and very nearly 20 000 runs over a 30 year career with his native county Leicestershire he was also a person of thorough honesty decency kindness cheerfulness determination and loyalty Only four players scored more career runs for Leicestershire and none took more wickets One of only two county cricketers to have appeared in the Championship in every season between the Wars Astill played a record 628 first class matches for his county and achieved the double of 1 000 runs and 100 wickets in a season on no fewer than nine occasions To the Leicestershire faithful he was the youngster of enormous promise and then the evergreen post war veteran who even more than his colleague George Geary shouldered the burden of their county s bowling and often their batting too with a smiling chivalry and unwearied dedication that embedded him deep in their affections One of nine first class cricketers to have achieved the 20 000 runs 2 000 wicket double his meagre total of only nine caps for England all abroad was probably more a reflection of Leicestershire s perceived status as an unfashionable county than Astill s playing ability Off the field Astill was a hugely popular figure who was a champion billiards player a fine musician and an accomplished vocalist He was frequently invited by leading representative teams to tour overseas and was seemingly the life and soul of the party during off field activities Fred Root called him the most versatile cricketer he had ever known and David Frith s opinion was that Of the stalwarts who served their countries for almost a lifetime Ewart Astill of Leicestershire has an exalted place but for Leicestershire supporters he was simply the best loved of all their heroes

British Tennis Kevin Jefferys,2019-05-15 Britain s tennis players are often regarded as gallant losers and also rans There was a painful 76 year gap between the grand slam triumphs of Fred Perry and Andy Murray and most Brits perennially fail to progress beyond the early rounds at Wimbledon But in this first detailed account of Britain s place in world tennis from the Victorian period to the present day historian Kevin Jefferys shows that British players have a surprisingly strong record He traces the fluctuations in the nation s tennis fortunes with barren spells counterbalanced by periods of ascendancy and looks beyond the domestic obsession with Wimbledon to highlight British successes at other grand slam tournaments in the Davis Cup and in Olympic tennis The author also focuses on key individuals providing fresh profiles of his selection of the best British players of all time the men and women who have delivered most on the international stage from the time of the Renshaw brothers in the 1880s to Andy and Jamie Murray today A

Nation at Play Ronojoy Sen,2015-10-27 Reaching as far back as ancient times Ronojoy Sen pairs a novel history of India s engagement with sport and a probing analysis of its cultural and political development under monarchy and colonialism and as an independent nation Some sports that originated in India have fallen out of favor while others such as cricket have been adopted and made wholly India s own Sen s innovative project casts sport less as a natural expression of human competition than as an instructive practice reflecting a unique play with power morality aesthetics identity and money Sen follows the transformation of sport from an elite kingly pastime to a national obsession tied to colonialism nationalism and free market liberalization He pays special attention to two modern phenomena the dominance of cricket in the Indian consciousness and

the chronic failure of a billion strong nation to compete successfully in international sporting competitions such as the Olympics Innovatively incorporating examples from popular media and other unconventional sources Sen not only captures the political nature of sport in India but also reveals the patterns of patronage clientage and institutionalization that have bound this diverse nation together for centuries
