When he discovers that Grace Baker is one of them Charlie must make some difficult decisions For king and country Or for the woman he once loved **Housewife Up** Alison Penton Harper,2006 Recently widowed but putting a brave face on it all Helen s only problem it seems is the imminent arrival of her fortieth birthday Not something she can possibly avoid ignore or sulk about not with friends like Leoni and sisters like Julia around And there is much to celebrate **Housewife Down** Alison Penton Harper,2011-03-21 The days I had previously filled with the duties of chief cook and bottle washer now lay strangely empty and stretched out before me like a blank canvas I kept looking at it but couldn t think of anything to paint Preparing dinner for her husband s colleagues nervous and listening to a woman complain about domestic slavery on the radio Helen Robbins hits the bottle hard For thirteen years she has lived a life of suburban predictability with Robert bending to his boorish demands and allowing her once vital independent spirit to retreat into the safety cage of mundane dutiful routine Over supper that evening she decides to throw off her role of domestic angel and hit him where it hurts she dares to criticise his driving Riled by his wife s comments over dinner an irate Robert sets out the next morning to prove himself and is killed in a freak accident Helen s life is about to transform As she rekindles relationships with old friends and close family Helen rediscovers the excitement of her former world Tentatively stepping back into the fold imbued with a new sense of power and adventure she discovers for the first time the possibility of a relationship on her own terms as well as certain thrill she never quite believed possible and the surprises are only just beginning **Olive Readers** Christine Aziz,2006-04

Charlie's War David Fiddimore,2012-06-28 My old skipper once told me to always expect the unexpected I should have listened to him When a plane crash leaves Charlie Bassett rested from the RAF he receives unexpected orders to locate the elusive pregnant Grace Baker and bring her home But Grace who has been following the armed forces across Europe clearly does not want to be found and despite Charlie s personal stake in it this bizarre and challenging mission is still one he would rather avoid Nevertheless Charlie finds himself journeying to France in a car named Kate with a dubious eccentric Army Major and his loyal Sergeant two men who are evidently going about mysterious duties of their own And as Charlie moves slowly towards the front line on this exhilarating road trip so too does he draw closer to the woman he once loved and lost

Tuesday's War David Fiddimore,2012-07-26 This wasn t to be the last time that we left pieces of aeroplane all over Germany but you remember your first time It s just like your first kiss It is 1944 and as their battered Lancaster Bomber limps home to base in thick fog an RAF crew are horrified to find a second Bomber just moments in front It is too close for their own pilot to react but in one skilful move their forerunner swoops out of the way and the crew s lives are saved Back on the runway the seven thankful young men eagerly await their saviour s return and are stunned when the pilot climbs down from the cockpit to find themselves face to face with female Air Transport Auxiliary pilot Grace Baker Grace quickly befriends the crew introducing them to their new Bomber Tuesday s Child and ensconcing herself in their spare bunk Then when rear gunner Pete the Pole absconds the lads don t think twice about asking Grace to secretly take his place in Tuesday as they

Newby, 2018-06-08 Although the concept of credibility has been identified by the United Nations as a significant factor in successful peacekeeping operations its role has largely been ignored in the literature on peacekeeping at the local level In this book Newby provides the first detailed examination of credibility's essential place in peacekeeping With empirically rich analysis Newby explores the United Nations Interim Force in Lebanon UNIFIL and its navigation of political tensions in one of the world's geopolitical flashpoints a place where the mission's work is constrained by weak local legitimacy born of a complex political situation Identifying four types of credibility technical material security and responsiveness Newby traces the ways in which building credibility served UNIFIL and has enabled the mission to exercise

its mandate despite significant challenges on the ground Peacekeeping in South Lebanon unpacks the day to day business of running a peace mission and argues that credibility should be regarded as an independent construct when considering how a peacekeeping operation functions and survives **The Book Trade in Canada** ,2004 **Subject Guide to Books in Print** ,1996
