The Stone Gods By Jeanette Winterson:

The Stone Gods Jeanette Winterson, 2013-02-07 The Stone Gods is one of Jeanette Winterson's most imaginative novels about love. On the airwaves all the talk is of the new blue planet pristine and habitable like our own 65 million years ago before we took it to the edge of destruction. And off the air Billie and Spike are falling in love. What will happen when their story combines with the world's story as they whirl towards Planet Blue into the future. Will they and we ever find a safe landing place? Jeanette Winterson OBE whose writing has won the Whitbread Award for Best First Novel, the John Llewellyn Rhys Memorial Prize and the E M Forster Award is the author of some of the most purely imaginative and pleasurable novels of recent times from *Oranges Are Not the Only Fruit* to her first book for children *Tanglewreck*. She is also the author of the essays *Art Objects*. Visit her website at www.jeanettewinterson.com

Literary representation of nature and humanity in Jeanette Winterson's "The Stone Gods" Julian Hindriks, 2023-07-17 Seminar paper from the year 2023 in the subject English Language and Literature Studies Literature grade 2.0 language English abstract How is nature represented in the novel? How do the characters think about nature? These questions lead me to my hypothesis: Seeing all the devastating dystopian effects I presume. In the novel *The Stone Gods* by Jeanette Winterson the concept of nature is represented as a binary opposite to the concept of humanity. This hypothesis includes the reference to a binary opposition which describes a pair of mutually exclusive signifiers which are logically opposed. Oxford Reference I want to pursue this Ecocriticism approach which refers to the study of literature in relation to environmental issues. Garrard 2007 by focussing on the structure, the macro level of the text. Therefore I will also consider the form of the novel for example with its rhetorical tropes and chronologically work through the plot and setting of the novel looking for evidence which supports or negates the hypothesis. Part 3 of the novel *Post 3 War* will not be part of my analysis because it does not include relevant ecological representations of nature.
